Product Overview

Composition (per capsule):

Coral Calcium

500 mg

Natural marine source with trace minerals

Vitamin D3

600 IU

Essential for calcium absorption

Key Features:

- Natural marine source of calcium with trace minerals
- Vitamin D3 ensures optimal calcium absorption
- Supports bone strength, teeth health & musculoskeletal wellness
- Prevents calcium deficiency & osteoporosis

Why Coral Calcium + Vitamin D3?

Coral Calcium (500 mg)

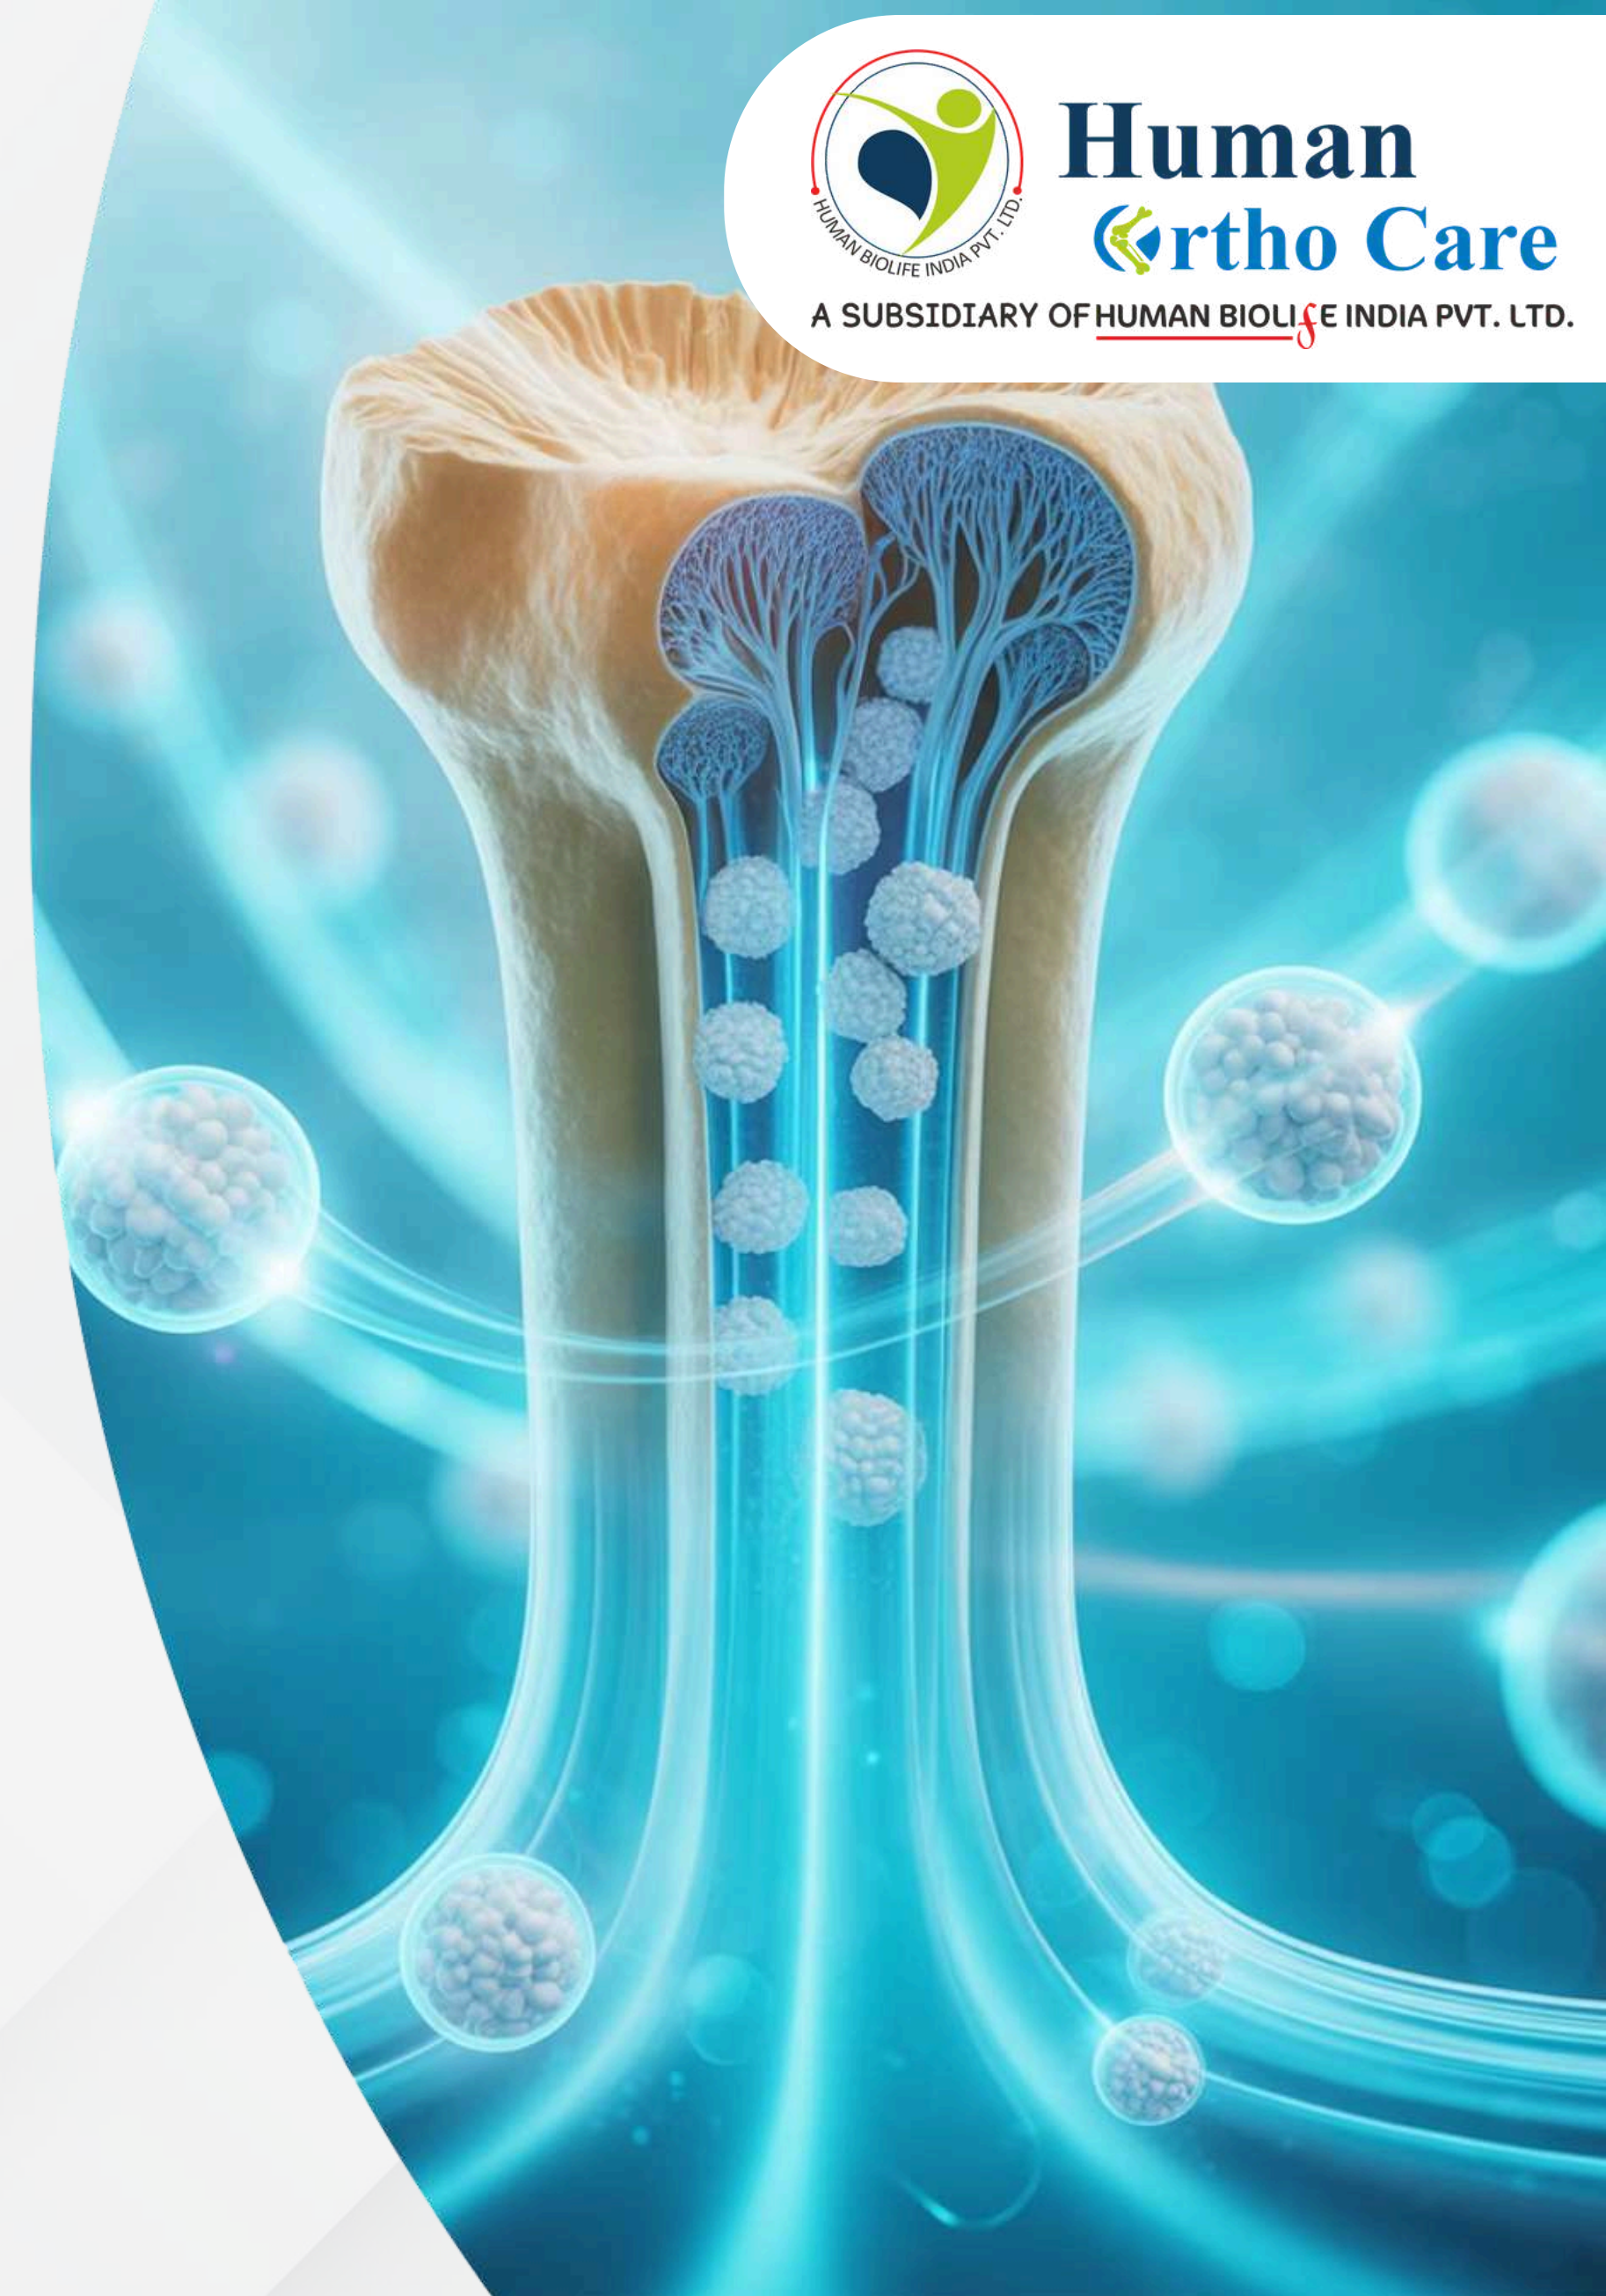

- Rich in natural calcium carbonate + trace minerals
- Promotes bone density & strength
- Gentle on stomach, better tolerance

Vitamin D3 (600 IU)

- Enhances intestinal absorption of calcium
- Prevents rickets, osteomalacia & hypocalcemia
- Works synergistically with calcium for bone mineralisation

☑️ ⭐ Combination ensures superior bone health & fracture prevention

Indications

💡 Calcirix Coral is recommended for:

Osteoporosis & Osteopenia

Strengthens weakened bones and prevents further deterioration

Calcium & Vitamin D Deficiency

Addresses nutritional gaps in essential bone-building nutrients

Post-menopausal Bone Weakness

Supports women experiencing hormonal bone density changes

Growing Children & Adolescents

Provides bone growth support during critical development phases

Elderly Patients Prone to Fractures

Reduces fracture risk in age-related bone fragility

Chronic Back Pain & Arthritis

Supports musculoskeletal health and joint function

Clinical Advantages

★ Key Benefits of Calcirix Coral:

Natural Calcium

High bioavailability from marine coral source

Better GI Tolerance

Gentler on stomach vs synthetic calcium supplements

Optimal Absorption

Vitamin D3 ensures maximum calcium utilisation

Bone Density

Maintains bone strength and reduces fracture risk

Convenient Dosing

Simple once-daily supplementation regimen

Comparison with Other Calcium Supplements

Parameter	Calcirix Coral (Coral Ca + D3)	Calcium Carbonate Tabs	Calcium Citrate Tabs
Source	✓ Natural (Coral-derived)	✗ Synthetic	✓ Synthetic
Absorption	✓ Good with D3	⚠ Variable	✓ Good
GI Tolerance	✓ Better	⚠ Constipation common	✓ Better
Vitamin D3 Support	✓ Yes (600 IU)	✗ Absent	✗ Absent
