300 mg

Primary bone healing compound

Moringa Oleifera

75 mg

Nutritional support & antioxidants

Key Features:

- Ayurvedic formulation for **bone & joint strengthening**
- Natural **analgesic, anti-inflammatory & bone regenerative** properties
- Suitable for **fracture healing, arthritis & bone weakness**
- Safe for long-term use

BONE HEALING PROCESS

Mechanism of Action

Herbal Synergy

Cissus Quadrangularis

- Enhances osteoblast activity → accelerates fracture healing
- Anti-inflammatory & analgesic → reduces swelling & pain
- Increases calcium uptake in bones

Moringa Oleifera

- Rich in calcium, iron & vitamins
- Improves bone density & joint strength
- Provides antioxidant & anti-inflammatory effects

Synergistic Result

Faster bone healing + better joint mobility

Enhanced therapeutic efficacy through natural compound interaction
