Product Overview

Composition (per 30 g pack):

Diclofenac Diethylamine B.P.

4.64% w/w

Primary anti-inflammatory agent

Linseed Oil B.P.

3.0% w/w

Penetration enhancer

Methyl Salicylate I.P.

10% w/w

Counterirritant action

Menthol I.P.

5% w/w

Cooling & soothing effect

Key Features:

- Enhanced-strength topical NSAID gel
- Combines **anti-inflammatory + counterirritant + cooling action**
- Stronger & faster relief vs standard diclofenac gels
- Non-greasy, fast absorption formula

**Human
Ortho Care**

A SUBSIDIARY OF HUMAN BIOLIFE INDIA PVT. LTD.

Mechanism of Action

Diclofenac

Inhibits COX enzymes → ↓ prostaglandins → reduces inflammation & pain

Linseed Oil

Anti-inflammatory & penetration enhancer

Methyl Salicylate

Counterirritant → increases blood flow, relieves stiffness

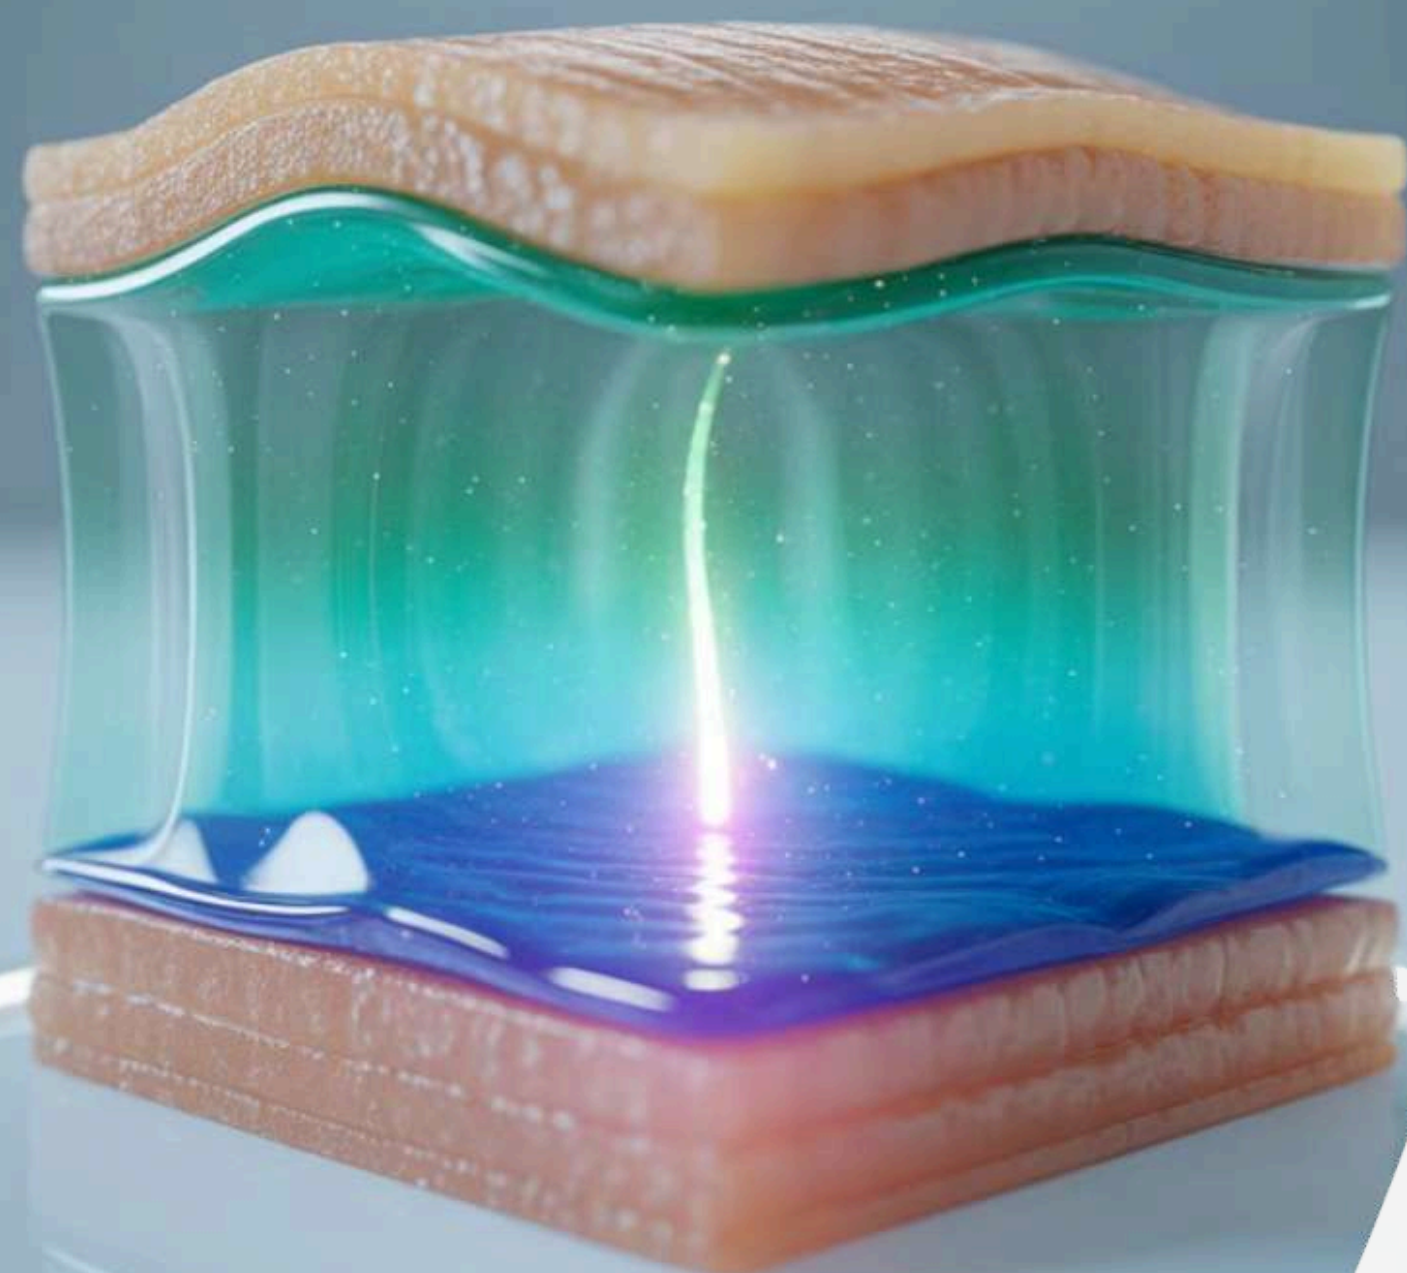

Menthol

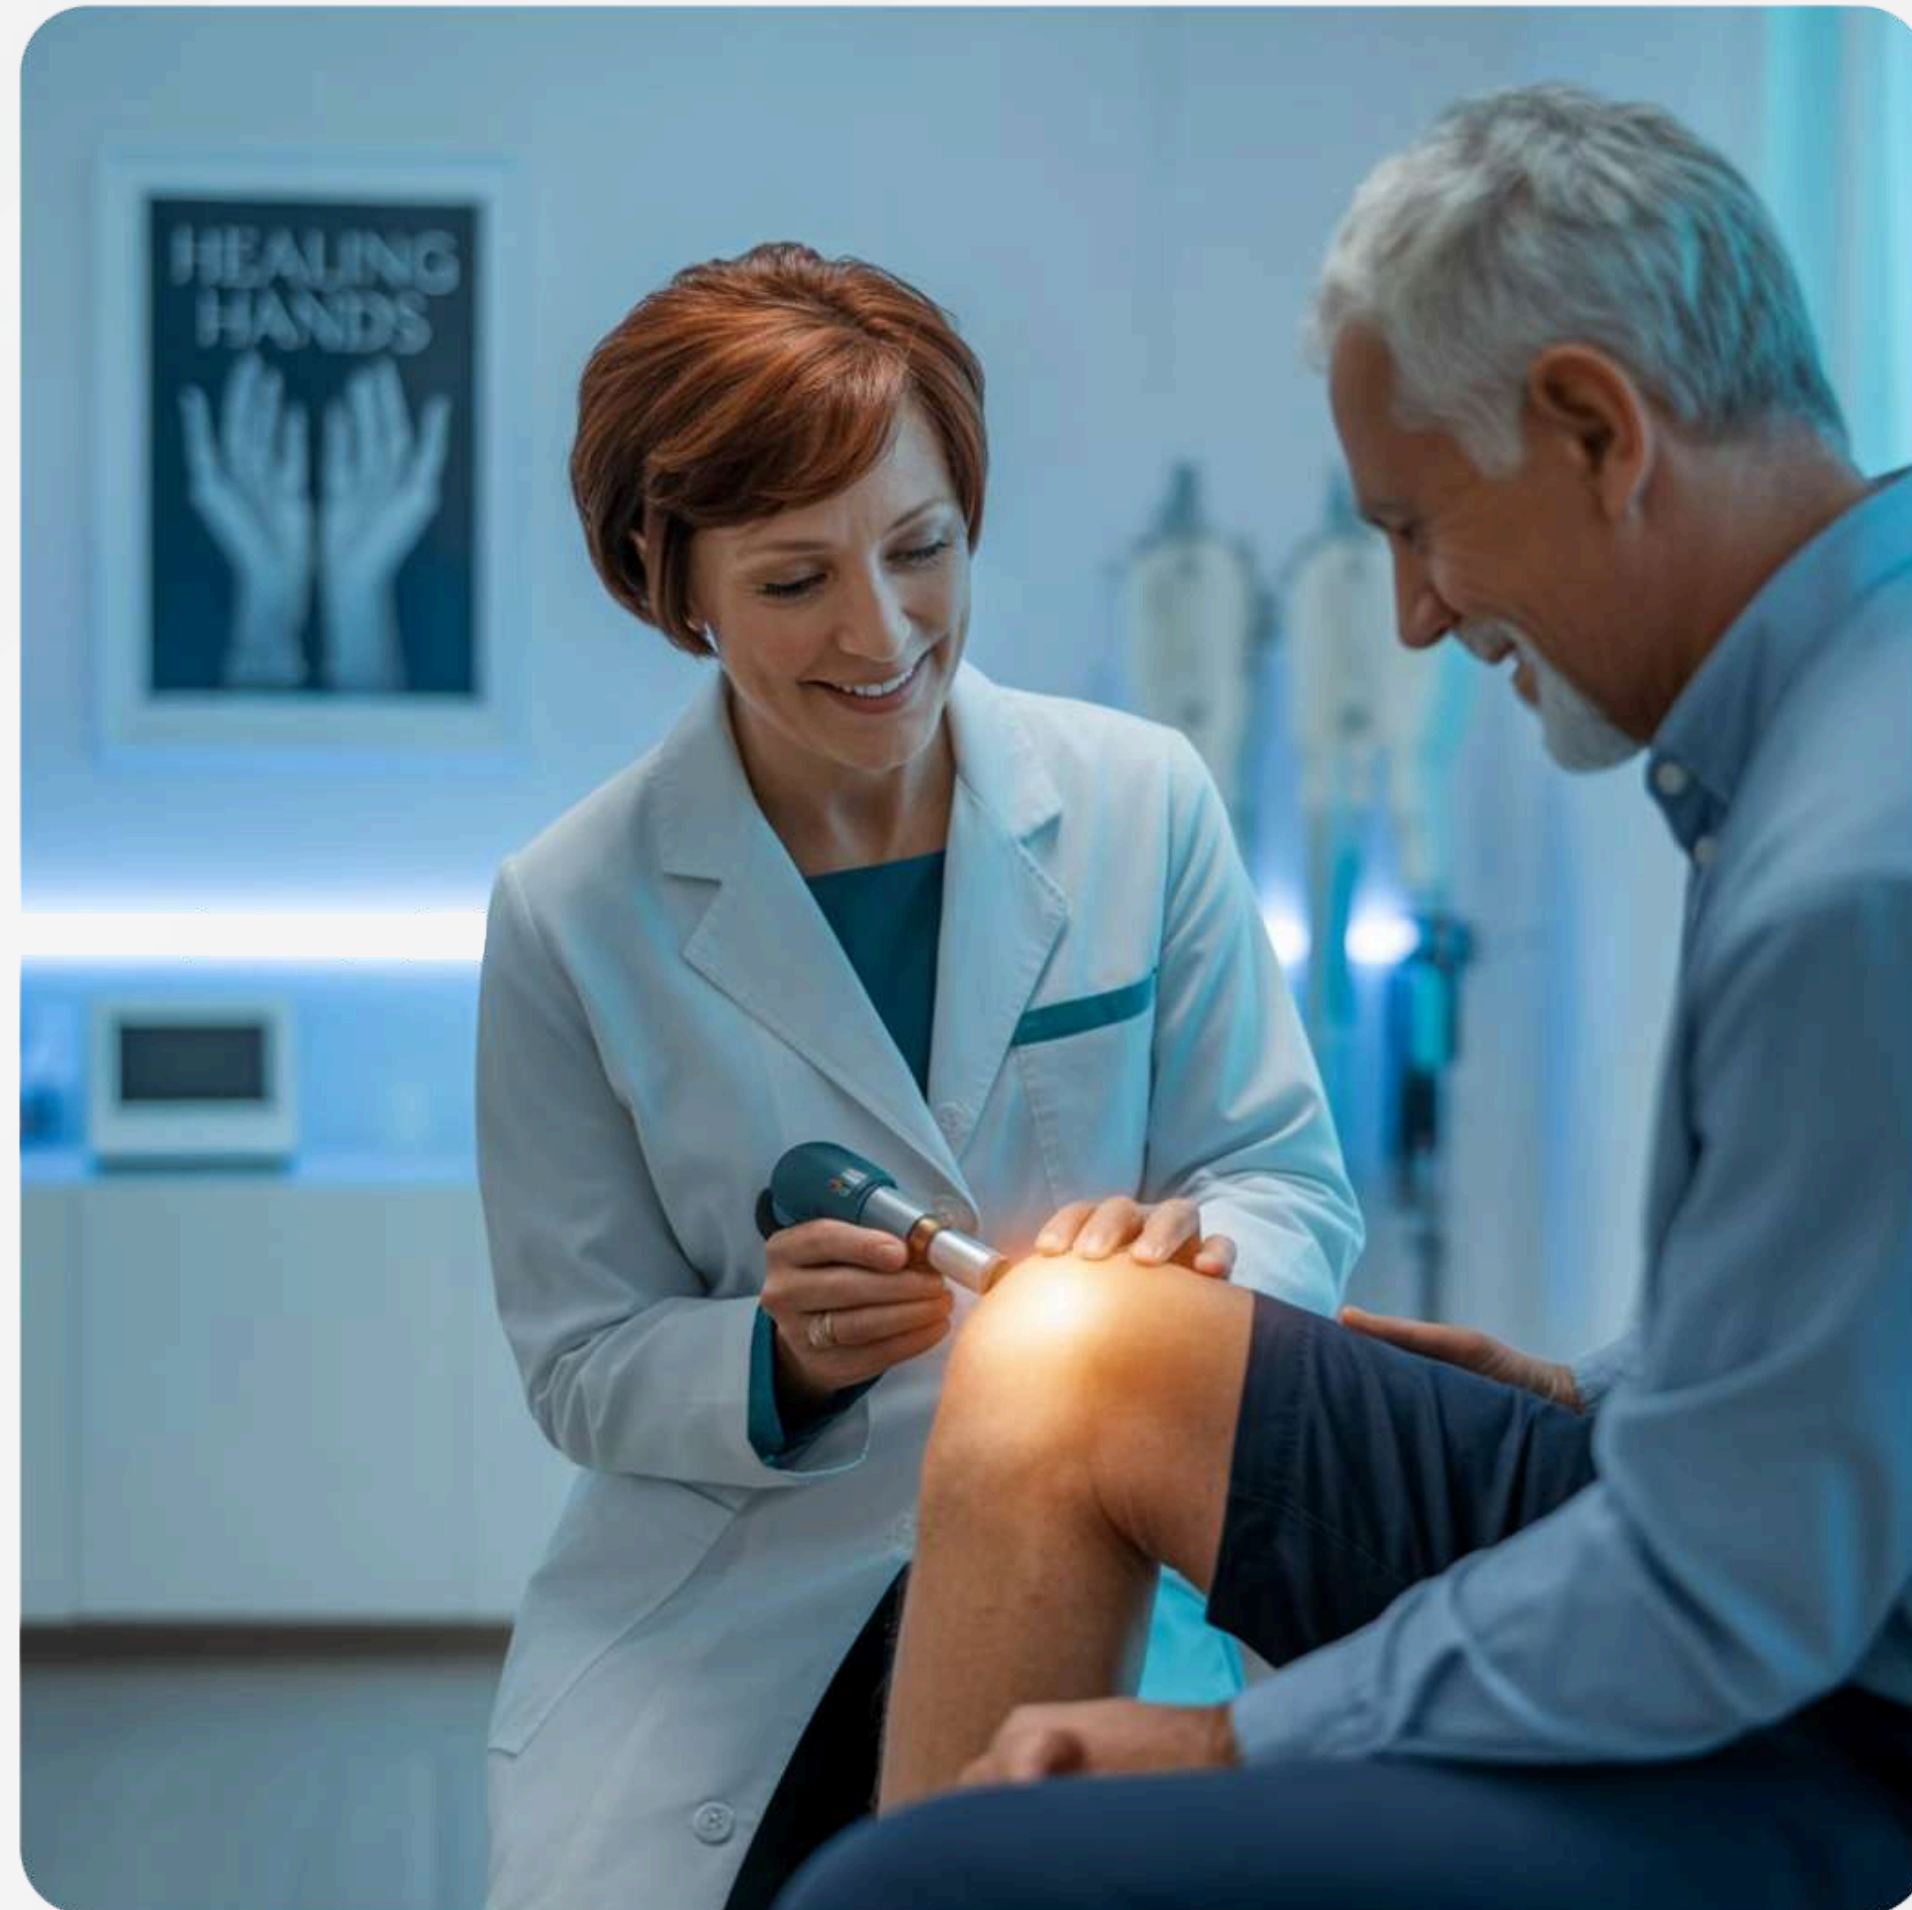

Cooling effect → soothing comfort, faster symptom relief

Result → Stronger pain relief + reduced swelling + better mobility

Indications

Rafdonac® Ultra Gel is recommended for:

- Osteoarthritis & rheumatoid arthritis**
Chronic joint inflammation and pain management
- Cervical & lumbar spondylosis**
Spinal degenerative conditions causing stiffness
- Sports injuries**
Sprains, strains, tendonitis and acute trauma
- Musculoskeletal pain & stiffness**
General muscle and joint discomfort
- Post-traumatic joint & muscle pain**
Recovery from injuries and surgical procedures
