# Product Overview

## Composition (per 30 g pack):

### Diclofenac Diethylamine I.P.

1.16% w/w (eq. to Diclofenac Sodium)

### Linseed Oil

1% w/w

### Methyl Salicylate I.P.

10% w/w

### Menthol I.P.

5% w/w

## Key Features:

- Clinically proven topical NSAID
- Combines anti-inflammatory + counterirritant + cooling action
- Provides **fast, localised pain relief**
- Non-greasy & quick absorbing

# Mechanism of Action

## Diclofenac Diethylamine

Inhibits COX → reduces prostaglandins → ↓ inflammation & pain

## Linseed Oil

Anti-inflammatory, improves penetration of actives

## Methyl Salicylate

Counterirritant → improves blood circulation, reduces stiffness

## Menthol

Cooling action → soothing comfort & faster relief

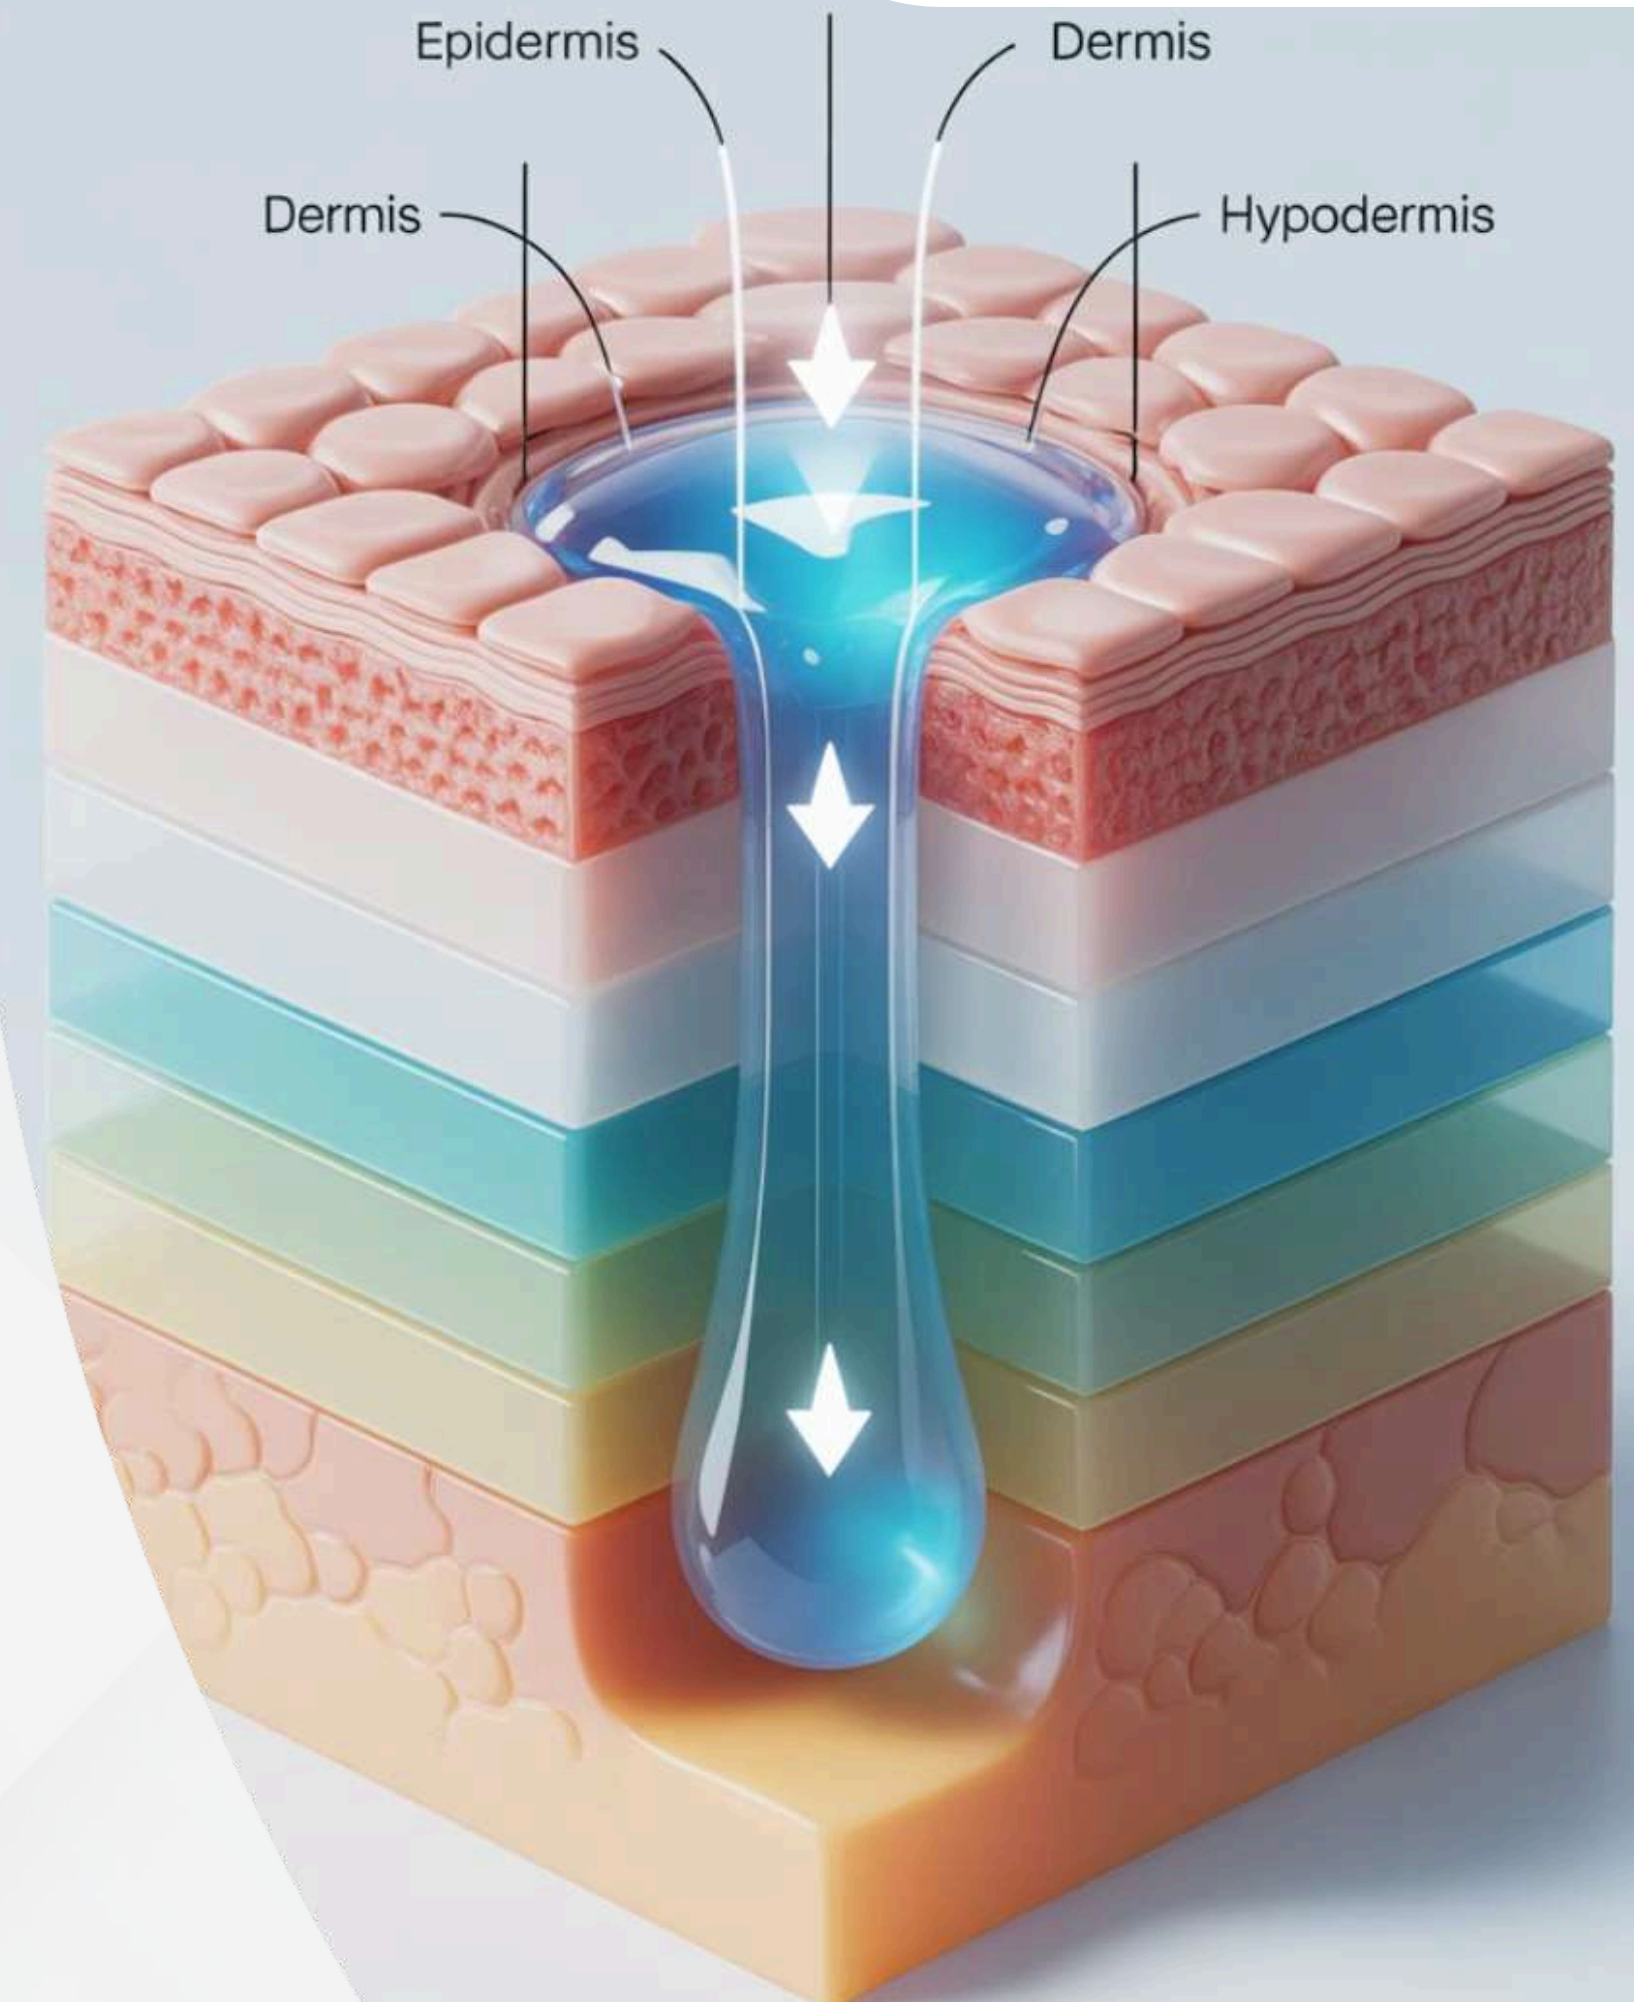

**Result → Relieves pain, reduces swelling, restores mobility**
