Product Overview

Composition (per ampoule):

Methylcobalamin

1000 mcg

Essential for nerve repair and myelin regeneration

Pyridoxine HCl

100 mg

Supports neurotransmitter balance and nerve function

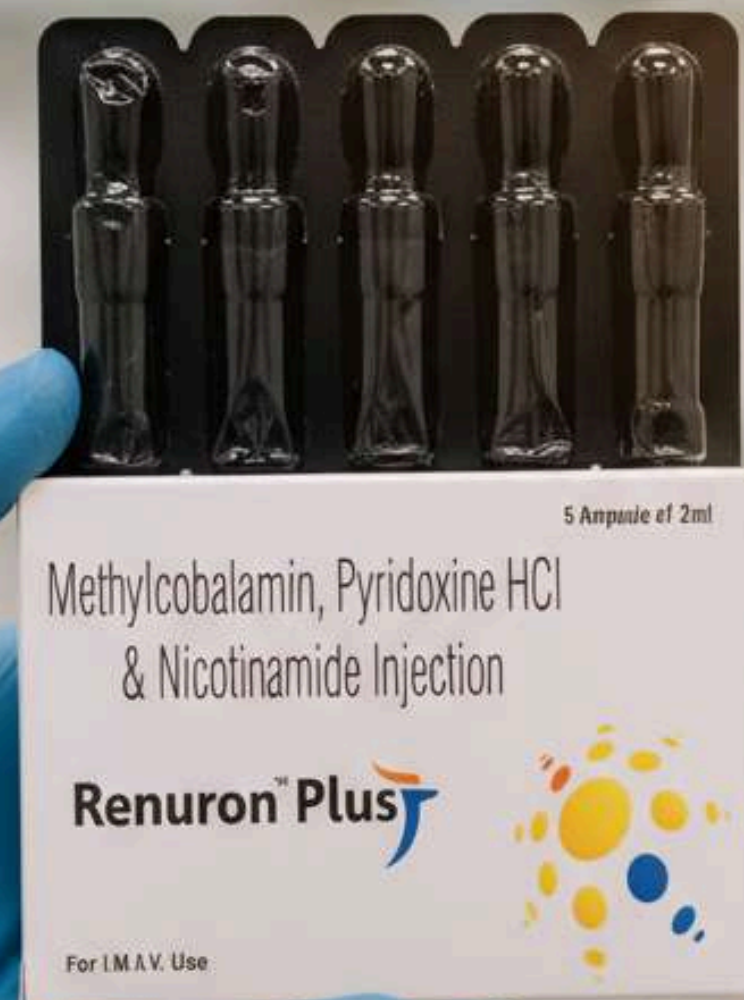

Nicotinamide

100 mg

Enhances cellular metabolism and reduces inflammation

Key Ortho Relevance:

- Repairs nerve damage in **sciatica, radiculopathy & spondylosis**
- Improves recovery after **orthopaedic surgery or trauma**
- Reduces **tingling, numbness & burning pain** in musculoskeletal conditions

Mechanism of Action

Methylcobalamin

Nerve repair & myelin regeneration → restores conduction

Pyridoxine (B6)

Supports neurotransmitter balance → reduces nerve irritability

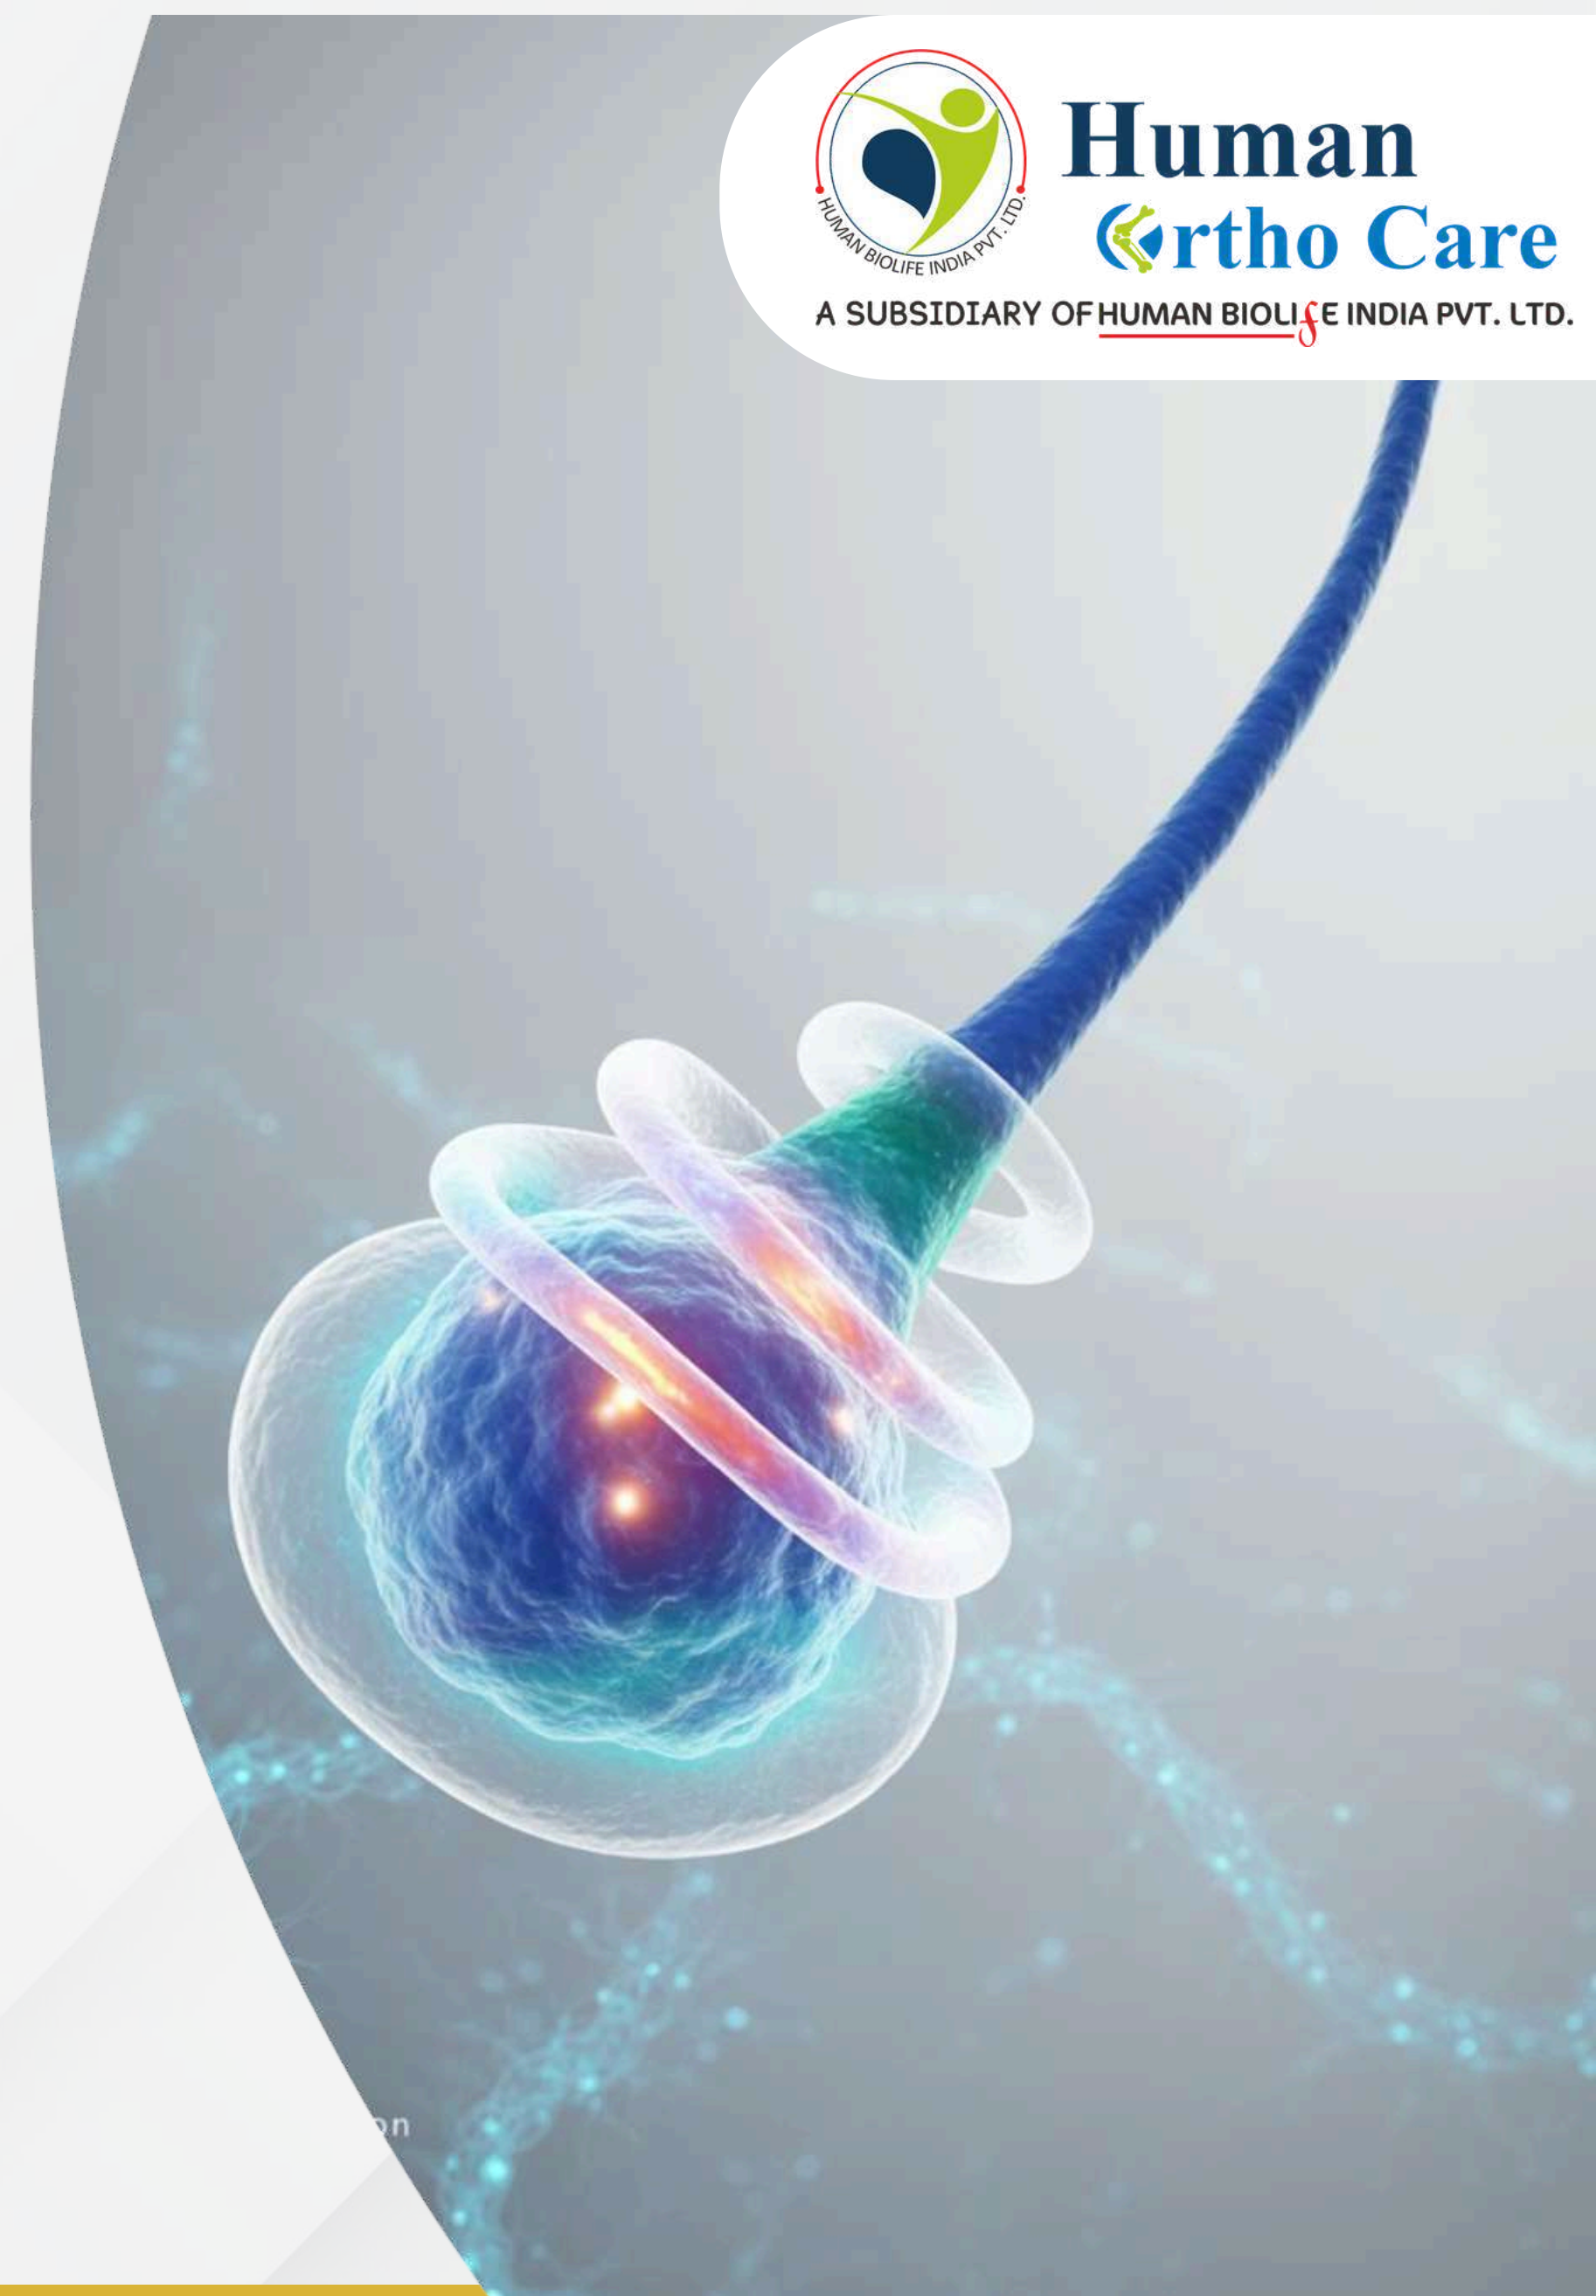

Nicotinamide (B3)

Enhances cellular metabolism → reduces neuro-inflammation

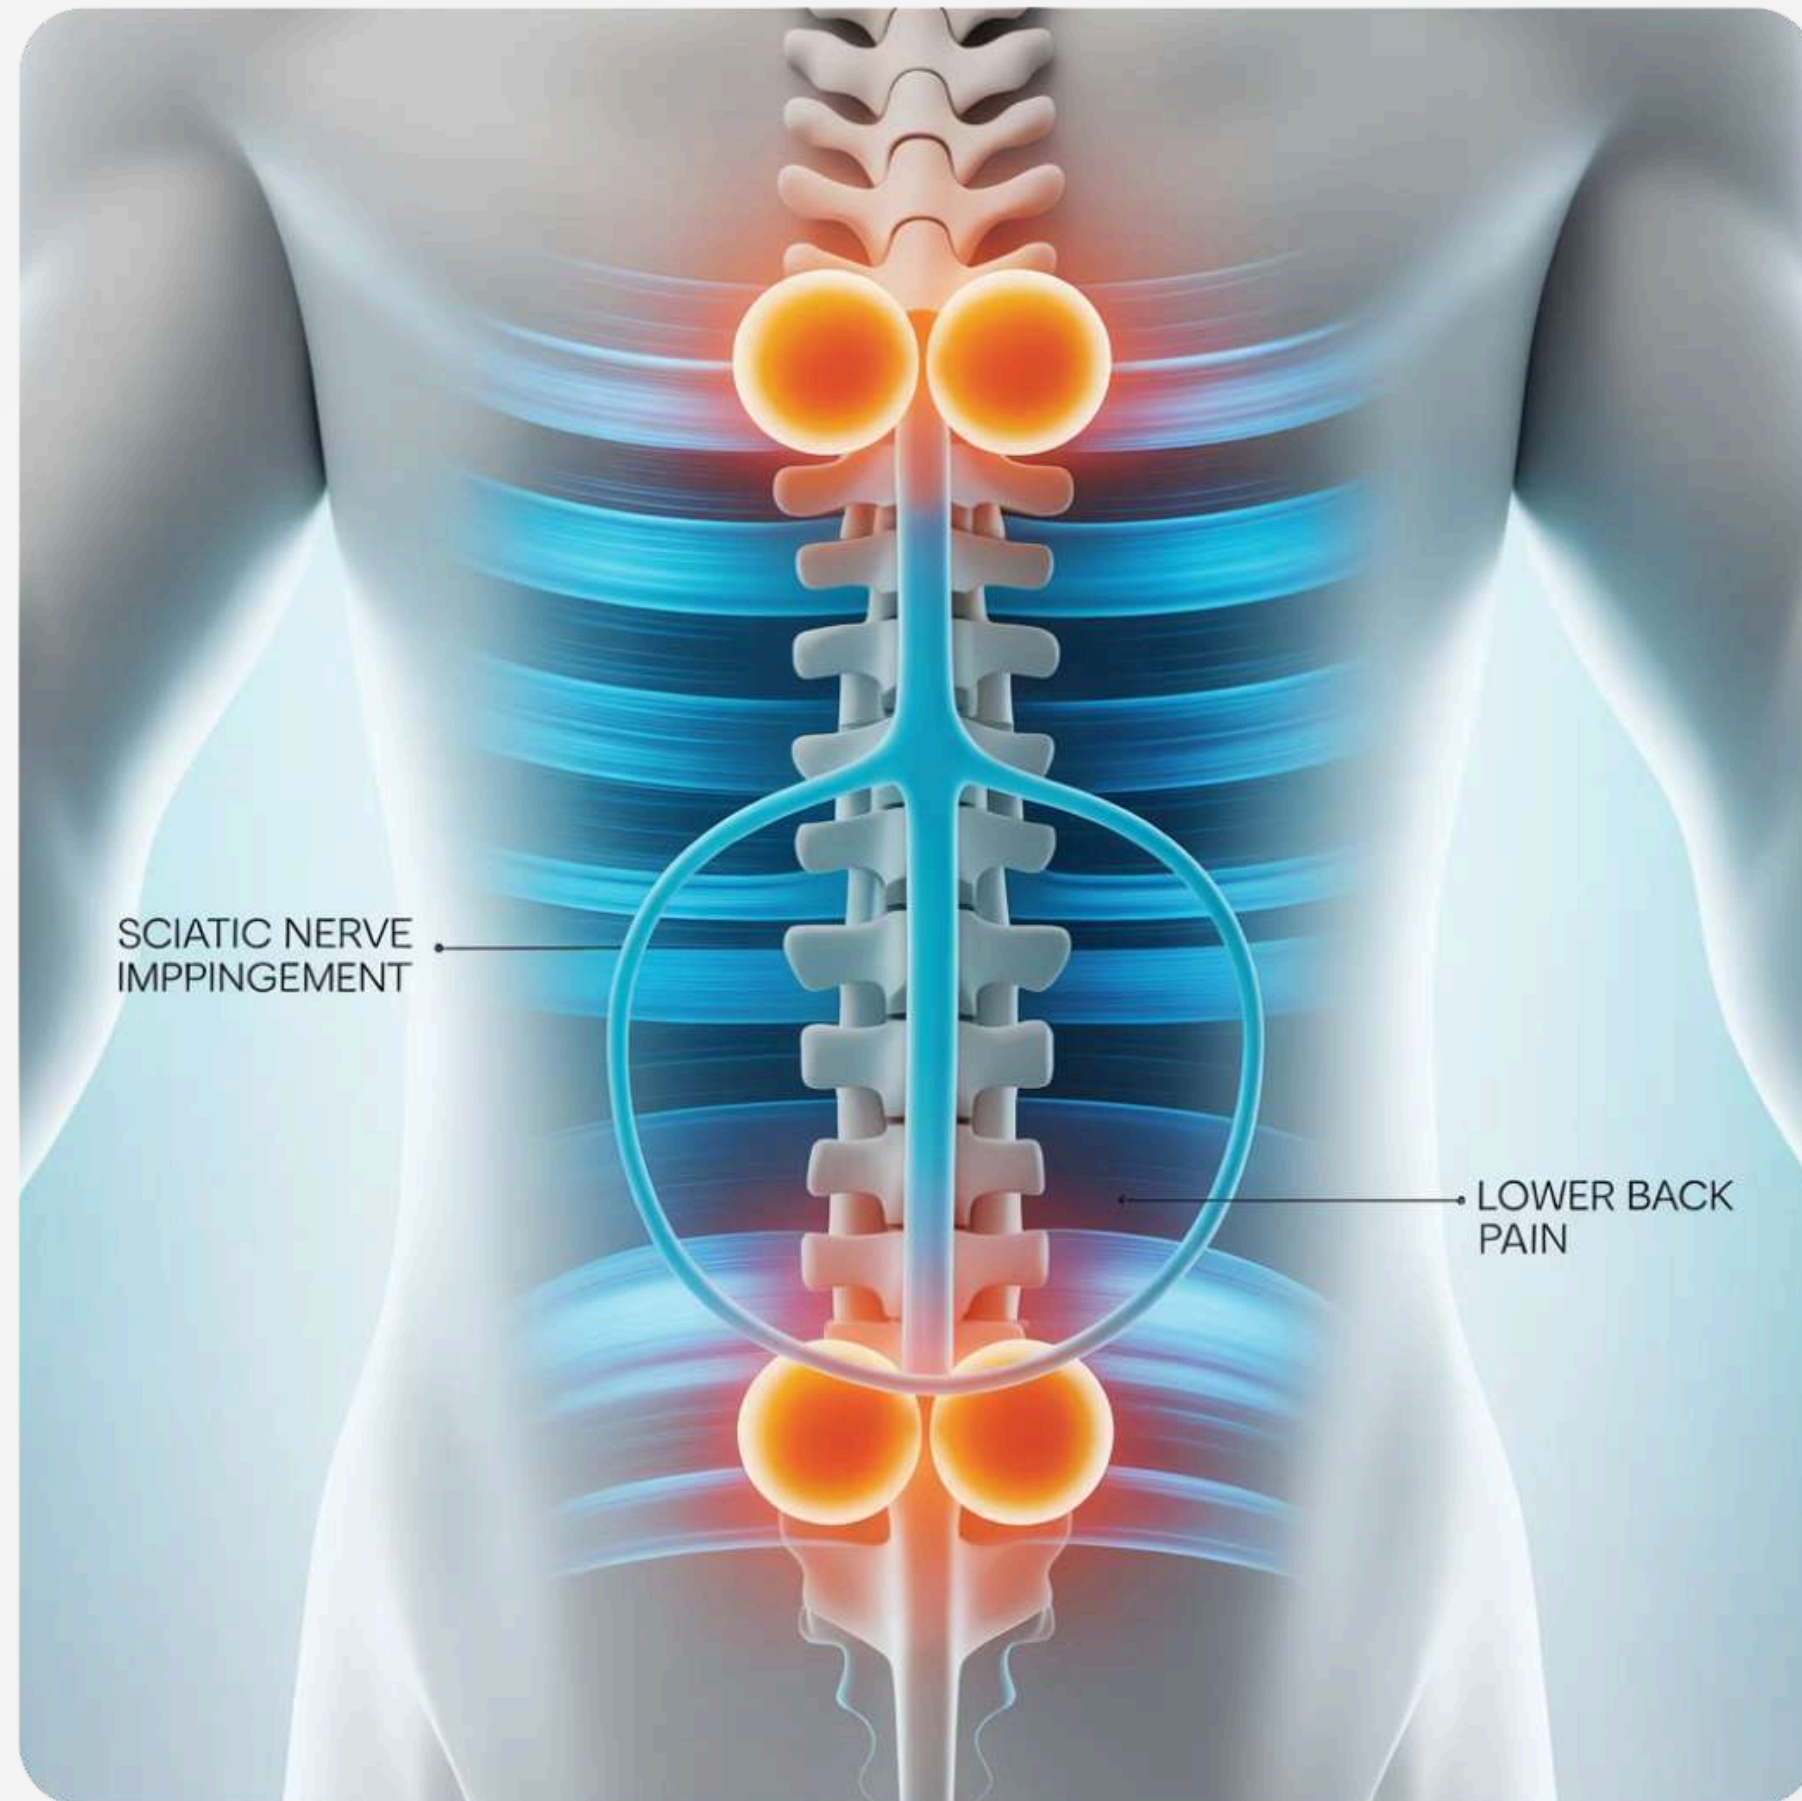

Result

Pain relief, improved mobility & faster functional recovery

Indications (Ortho Focused)

Renuron® Plus Injection is recommended for:

- Sciatica & lumbar/cervical radiculopathy
- Cervical & lumbar spondylosis with neuropathic pain
- Post-traumatic neuropathic pain (fractures, crush injuries)
- Post-orthopaedic surgical nerve recovery
- Osteoarthritis with nerve compression features
- Chronic low back pain with tingling/numbness

Clinical Advantages

Key Benefits of Renuron® Plus:

Superior Pain Relief

Relieves **nerve-related pain** not controlled by NSAIDs alone

Enhanced Recovery

Enhances **recovery in post-trauma & post-surgical patients**

Symptom Management

Reduces **burning, tingling & numbness** associated with radiculopathy

Functional Improvement

Improves functional outcomes in chronic ortho conditions

Holistic Care

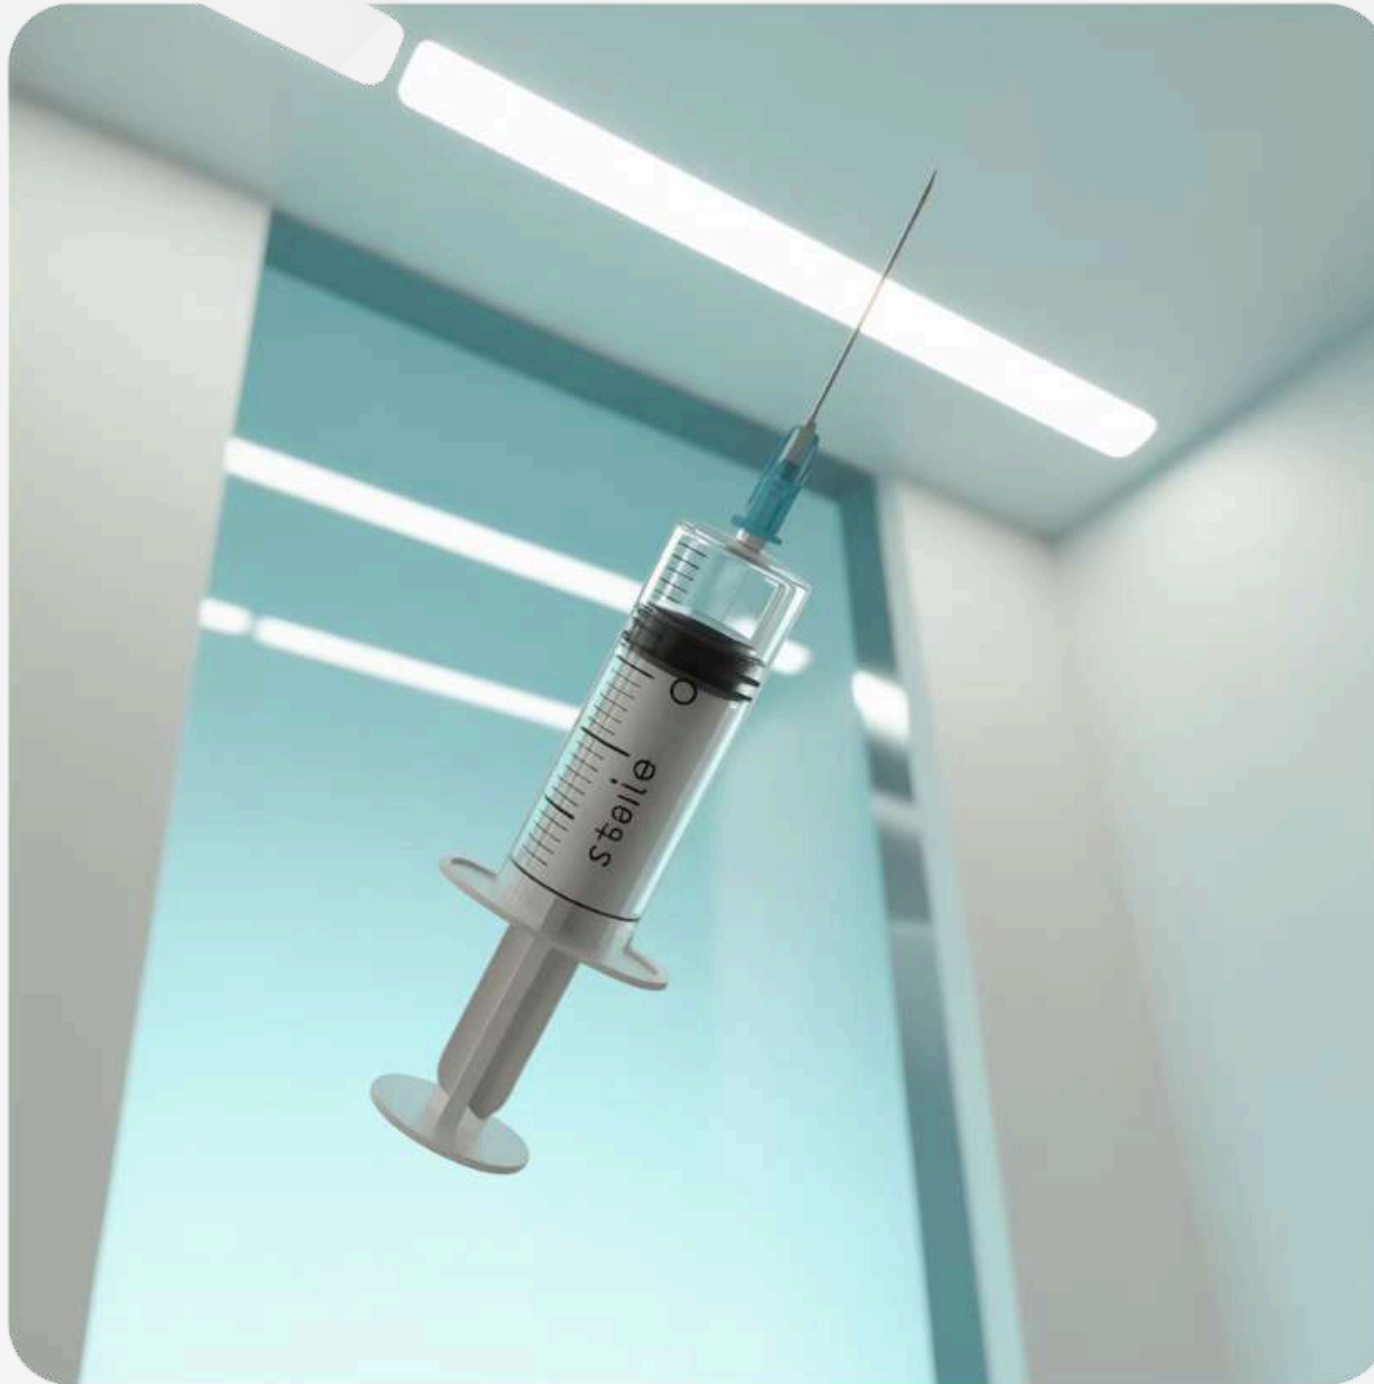

Complements enzyme therapy & NSAIDs for holistic ortho pain management
