Product Overview

Composition (per capsule):

Pregabalin

75 mg

Neuropathic pain relief

Methylcobalamin

750 mcg

Nerve regeneration

Alpha Lipoic Acid

100 mg

Antioxidant protection

Vitamin B6

1.5 mg

Neurotransmission support

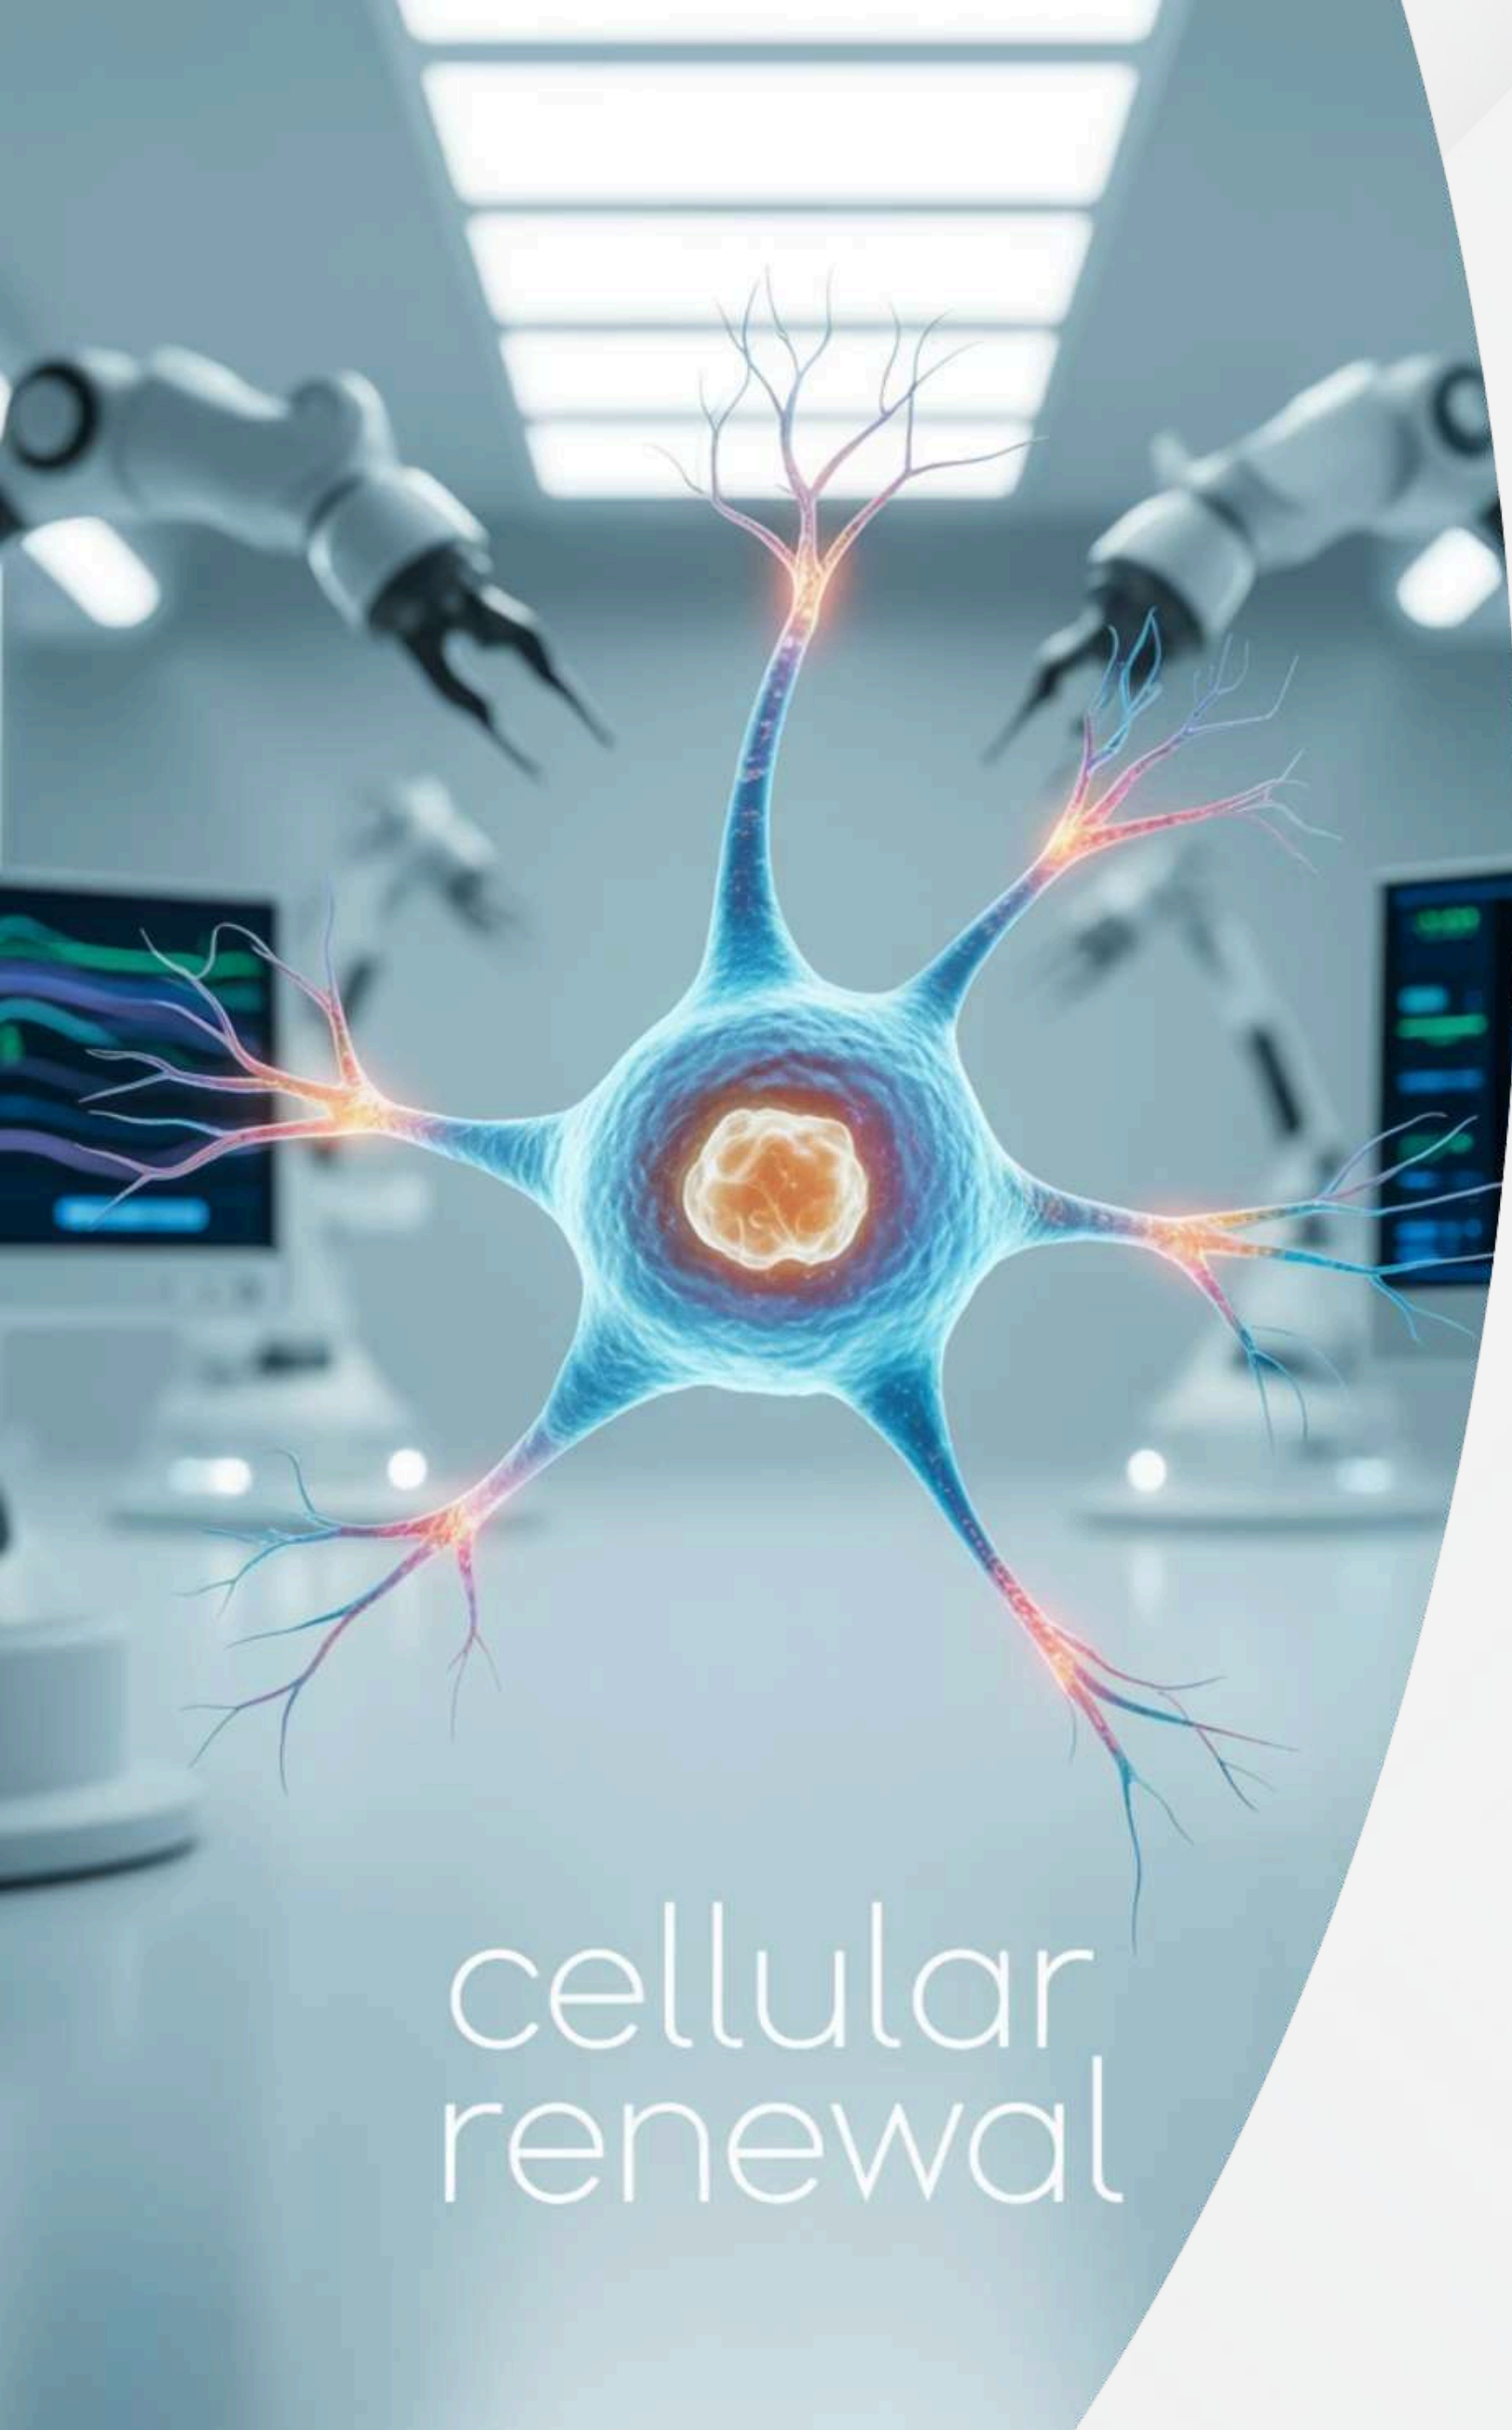

Folic Acid

3 mg

Neural development

Ortho Relevance:

- Addresses **neuropathic pain in orthopaedic disorders**
- Enhances recovery in **nerve compression & trauma**
- Protects against oxidative damage in chronic joint & spine cases

Mechanism of Action

Comprehensive approach to orthopaedic neuropathic pain

Pregabalin

Reduces abnormal nerve firing → relieves radiculopathy, sciatica & post-trauma nerve pain

Methylcobalamin + Folic Acid

Regenerates damaged peripheral nerves in disc disease, fractures & implant-related nerve injury

Alpha Lipoic Acid

Antioxidant defence → reduces oxidative damage in chronic ortho patients

Vitamin B6

Supports neurotransmission → improves motor & sensory recovery

Net Result

Pain Relief + Nerve Repair + Faster Functional Recovery

**Human
Ortho Care**

A SUBSIDIARY OF HUMAN BIOLIFE INDIA PVT. LTD.

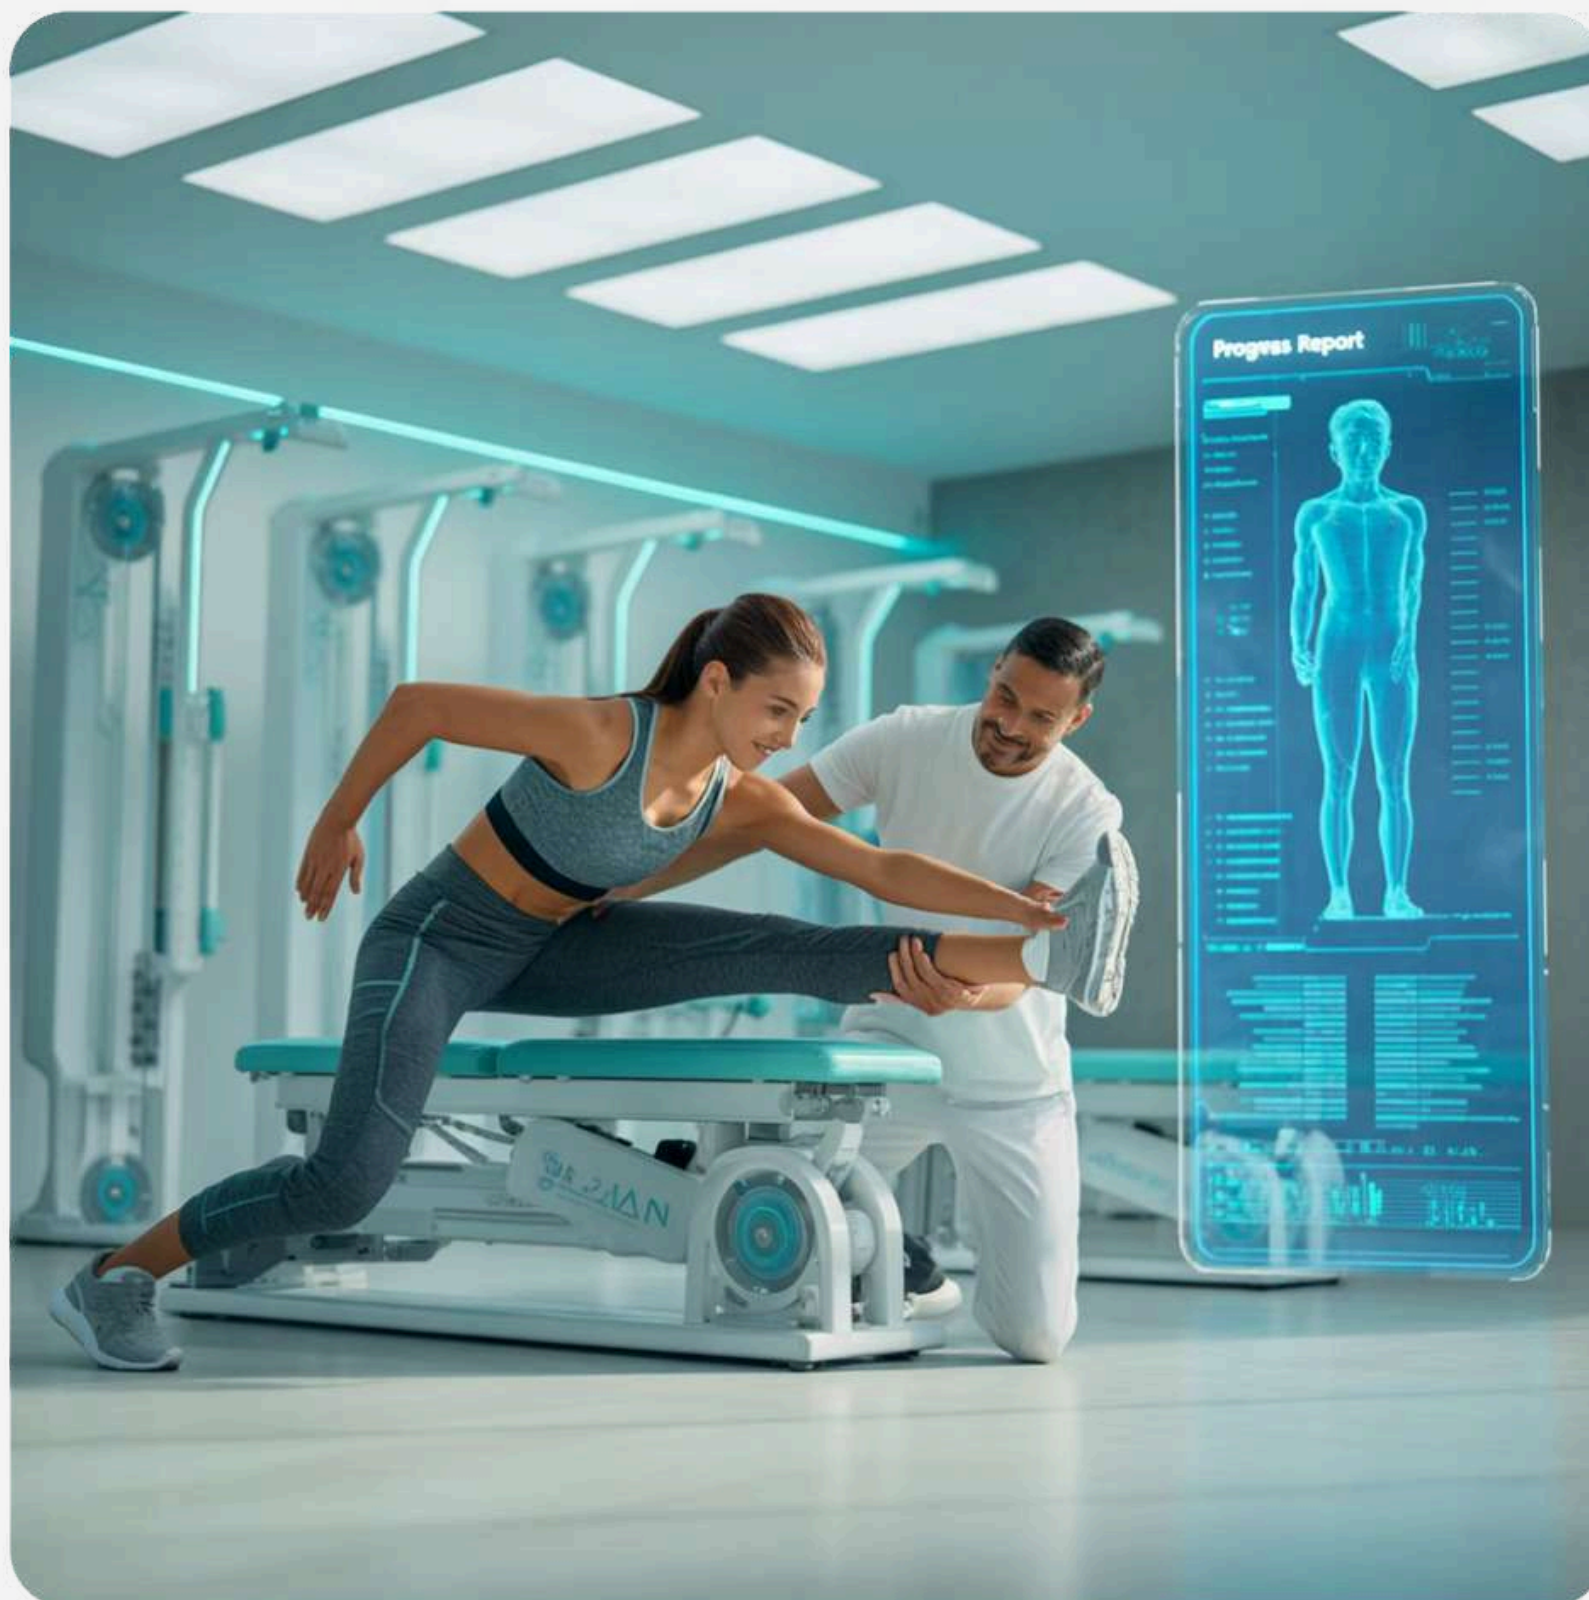

Indications in Orthopaedics

Renuron®-PG is recommended for Ortho Patients with:

-  **Lumbar & cervical radiculopathy**
Nerve root compression causing radiating pain
-  **Sciatica due to disc prolapse / spondylosis**
Sciatic nerve irritation and inflammation
-  **Neuropathic pain in osteoarthritis & spondyloarthropathy**
Chronic joint degeneration with nerve involvement
-  **Nerve compression syndromes**
Carpal tunnel, cubital tunnel, and similar conditions
-  **Post-traumatic & post-surgical neuropathic pain**
Nerve damage following injury or surgical procedures
-  **Chronic musculoskeletal pain with neuropathic component**
Complex pain syndromes affecting multiple systems

Clinical Advantages

Why Ortho Patients Benefit from Renuron®-PG

Pain Relief

Relieves **burning, tingling, shooting & stabbing** pain

Functional Improvement

Improves **mobility & daily function** by reducing neuropathic symptoms

Enhanced Recovery

Accelerates **rehabilitation & physiotherapy compliance**

Comprehensive Benefits

Combines **analgesic + neurotrophic + antioxidant** benefits in 1 capsule

Simplified Treatment

Reduces need for **multiple prescriptions** (single-capsule compliance)

Comparison with Other Ortho Neuropathy Therapies

Comprehensive efficacy analysis across treatment parameters

Parameter	Renuron®-PG (5-in-1)	Pregabalin Alone	B12 Alone	ALA Alone	Rating
Radiculopathy Pain Relief	✔ Strong	✔ Strong	✘ Minimal	⚠ Limited	★★★★★
Post-Trauma Nerve Repair	✔ Yes	✘ No	✔ Yes	✘ No	★★★★☆
Antioxidant Protection	✔ Yes	✘ No	✘ No	✔ Yes	★★★★☆
Ortho Recovery Support	✔ Excellent	⚠ Partial	⚠ Limited	✘ No	★★★★★
Patient Compliance	✔ High	⚠ Moderate	⚠ Moderate	⚠ Moderate	★★★★★

Dosage & Administration

Recommended in Ortho Practice:

01

Standard Dosing

1 Capsule once or twice daily after meals

02

Individualisation

Adjust as per patient's pain intensity & tolerance

Special Notes for Ortho Patients:

- Adjust in elderly with renal impairment
- Use continuously for sustained benefits in **chronic spine & joint pain**

Consistent dosing ensures optimal therapeutic outcomes

Safety & Tolerability

Comprehensive safety profile for orthopaedic patients

Common Observations in Ortho Patients:

Pregabalin

Dizziness, somnolence (dose-dependent)

Alpha Lipoic Acid

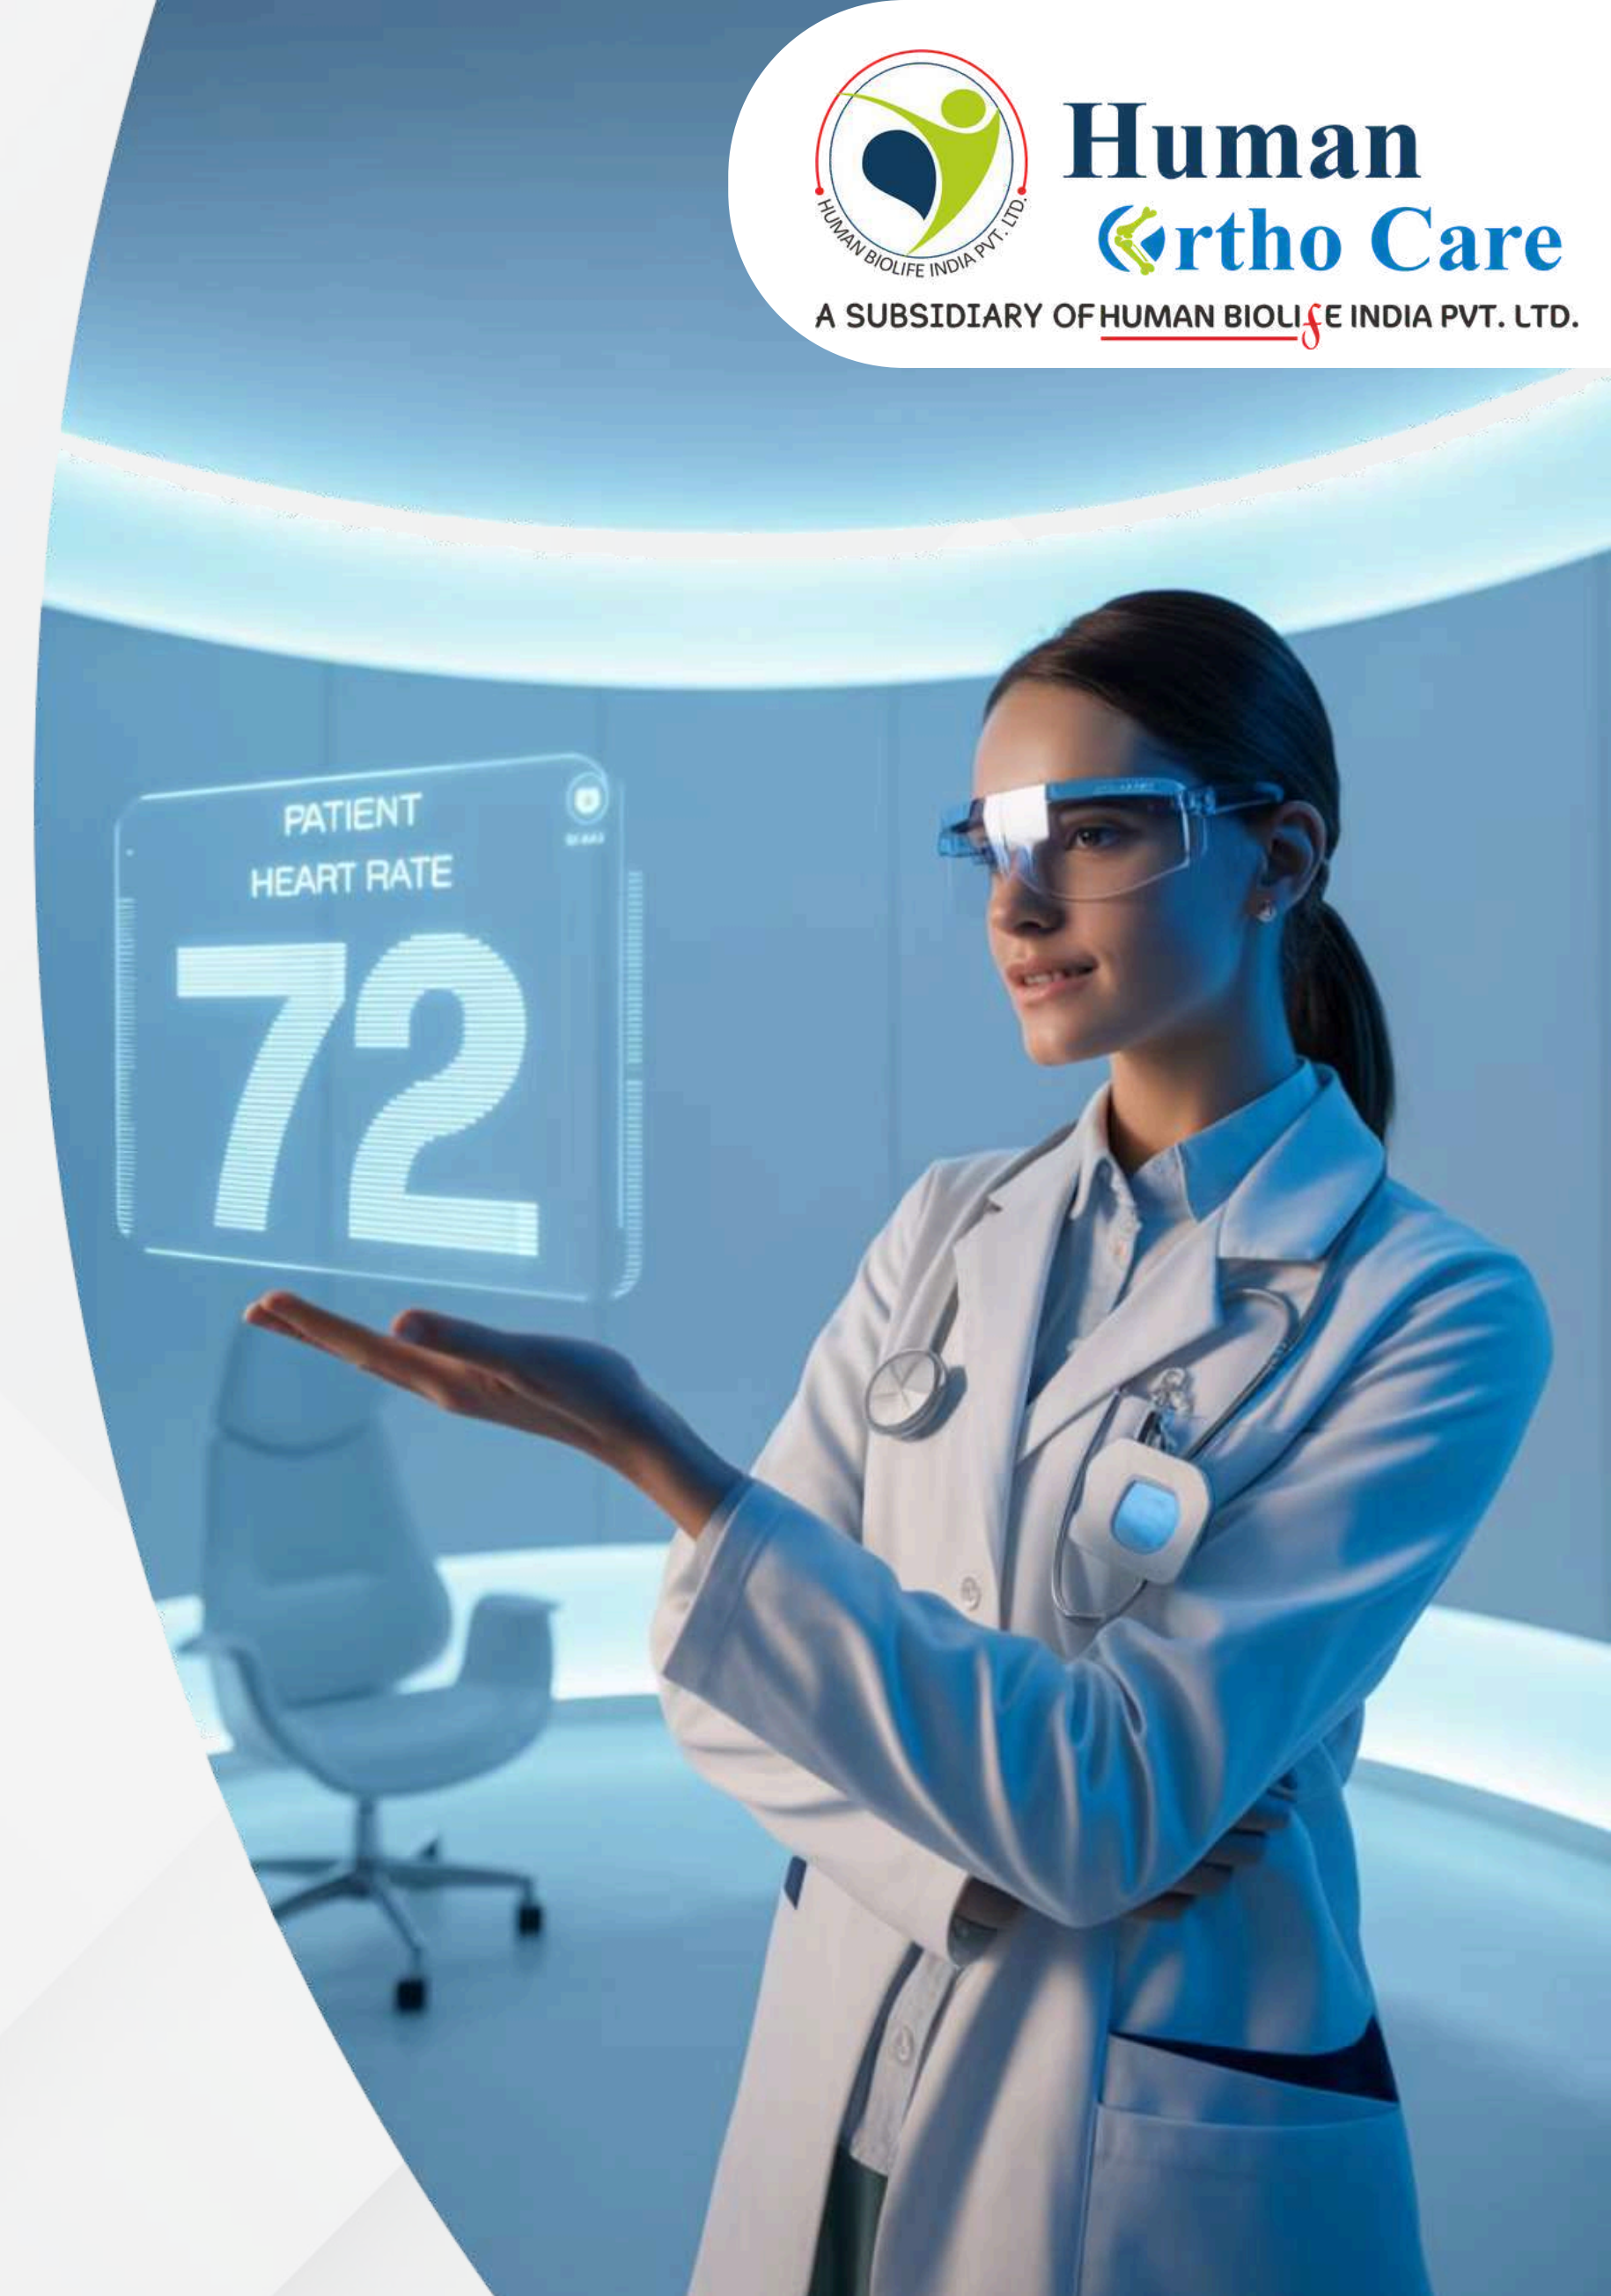

Mild GI upset (rare occurrence)

B-Vitamins Complex

Methylcobalamin + Folic Acid + B6
→ well tolerated

Cautions in Ortho Cases:

- **Renal Impairment**
Dose adjustment required
- **Elderly Patients**
Monitor for polypharmacy interactions
- **Pregnancy & Lactation**
Avoid unless specifically prescribed

Why Ortho Surgeons Choose Renuron®-PG

The preferred choice for comprehensive neuropathic pain management

Radiculopathy & Sciatica Management

Targeted relief for nerve root compression and sciatic pain syndromes

Enhanced Post-Surgical Recovery

Faster recovery after fractures & orthopaedic surgeries with nerve involvement

Superior Efficacy

Proven effectiveness versus single or dual supplement therapies

Enhanced Patient Compliance

Single-capsule therapy improves adherence and treatment outcomes

Trusted Formulations

Backed by Human Orthocare's commitment to quality and efficacy
