Product Overview

Composition (per tablet):

Methylcobalamin

1500 mcg

Essential for nerve repair and myelin regeneration

Alpha Lipoic Acid

100 mg

Powerful antioxidant for nerve protection

Folic Acid

1.5 mg

Supports neurotransmitter function

Pyridoxine HCl

3 mg

Reduces homocysteine levels

Vitamin D3

1000 IU

Enhances bone and nerve health

Ortho Relevance:

- Restores nerve function in **sciatica, radiculopathy & spondylosis**
- Reduces **burning, tingling & numbness** in chronic ortho pain
- Enhances **bone & nerve health together** (Vitamin D3 synergy)

Mechanism of Action

Methylcobalamin

Repairs nerves & regenerates myelin sheath for optimal nerve conduction

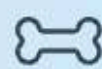

Alpha Lipoic Acid

Potent antioxidant that reduces oxidative stress in nerve tissues

Folic Acid + Pyridoxine

Supports neurotransmitter function & reduces homocysteine levels

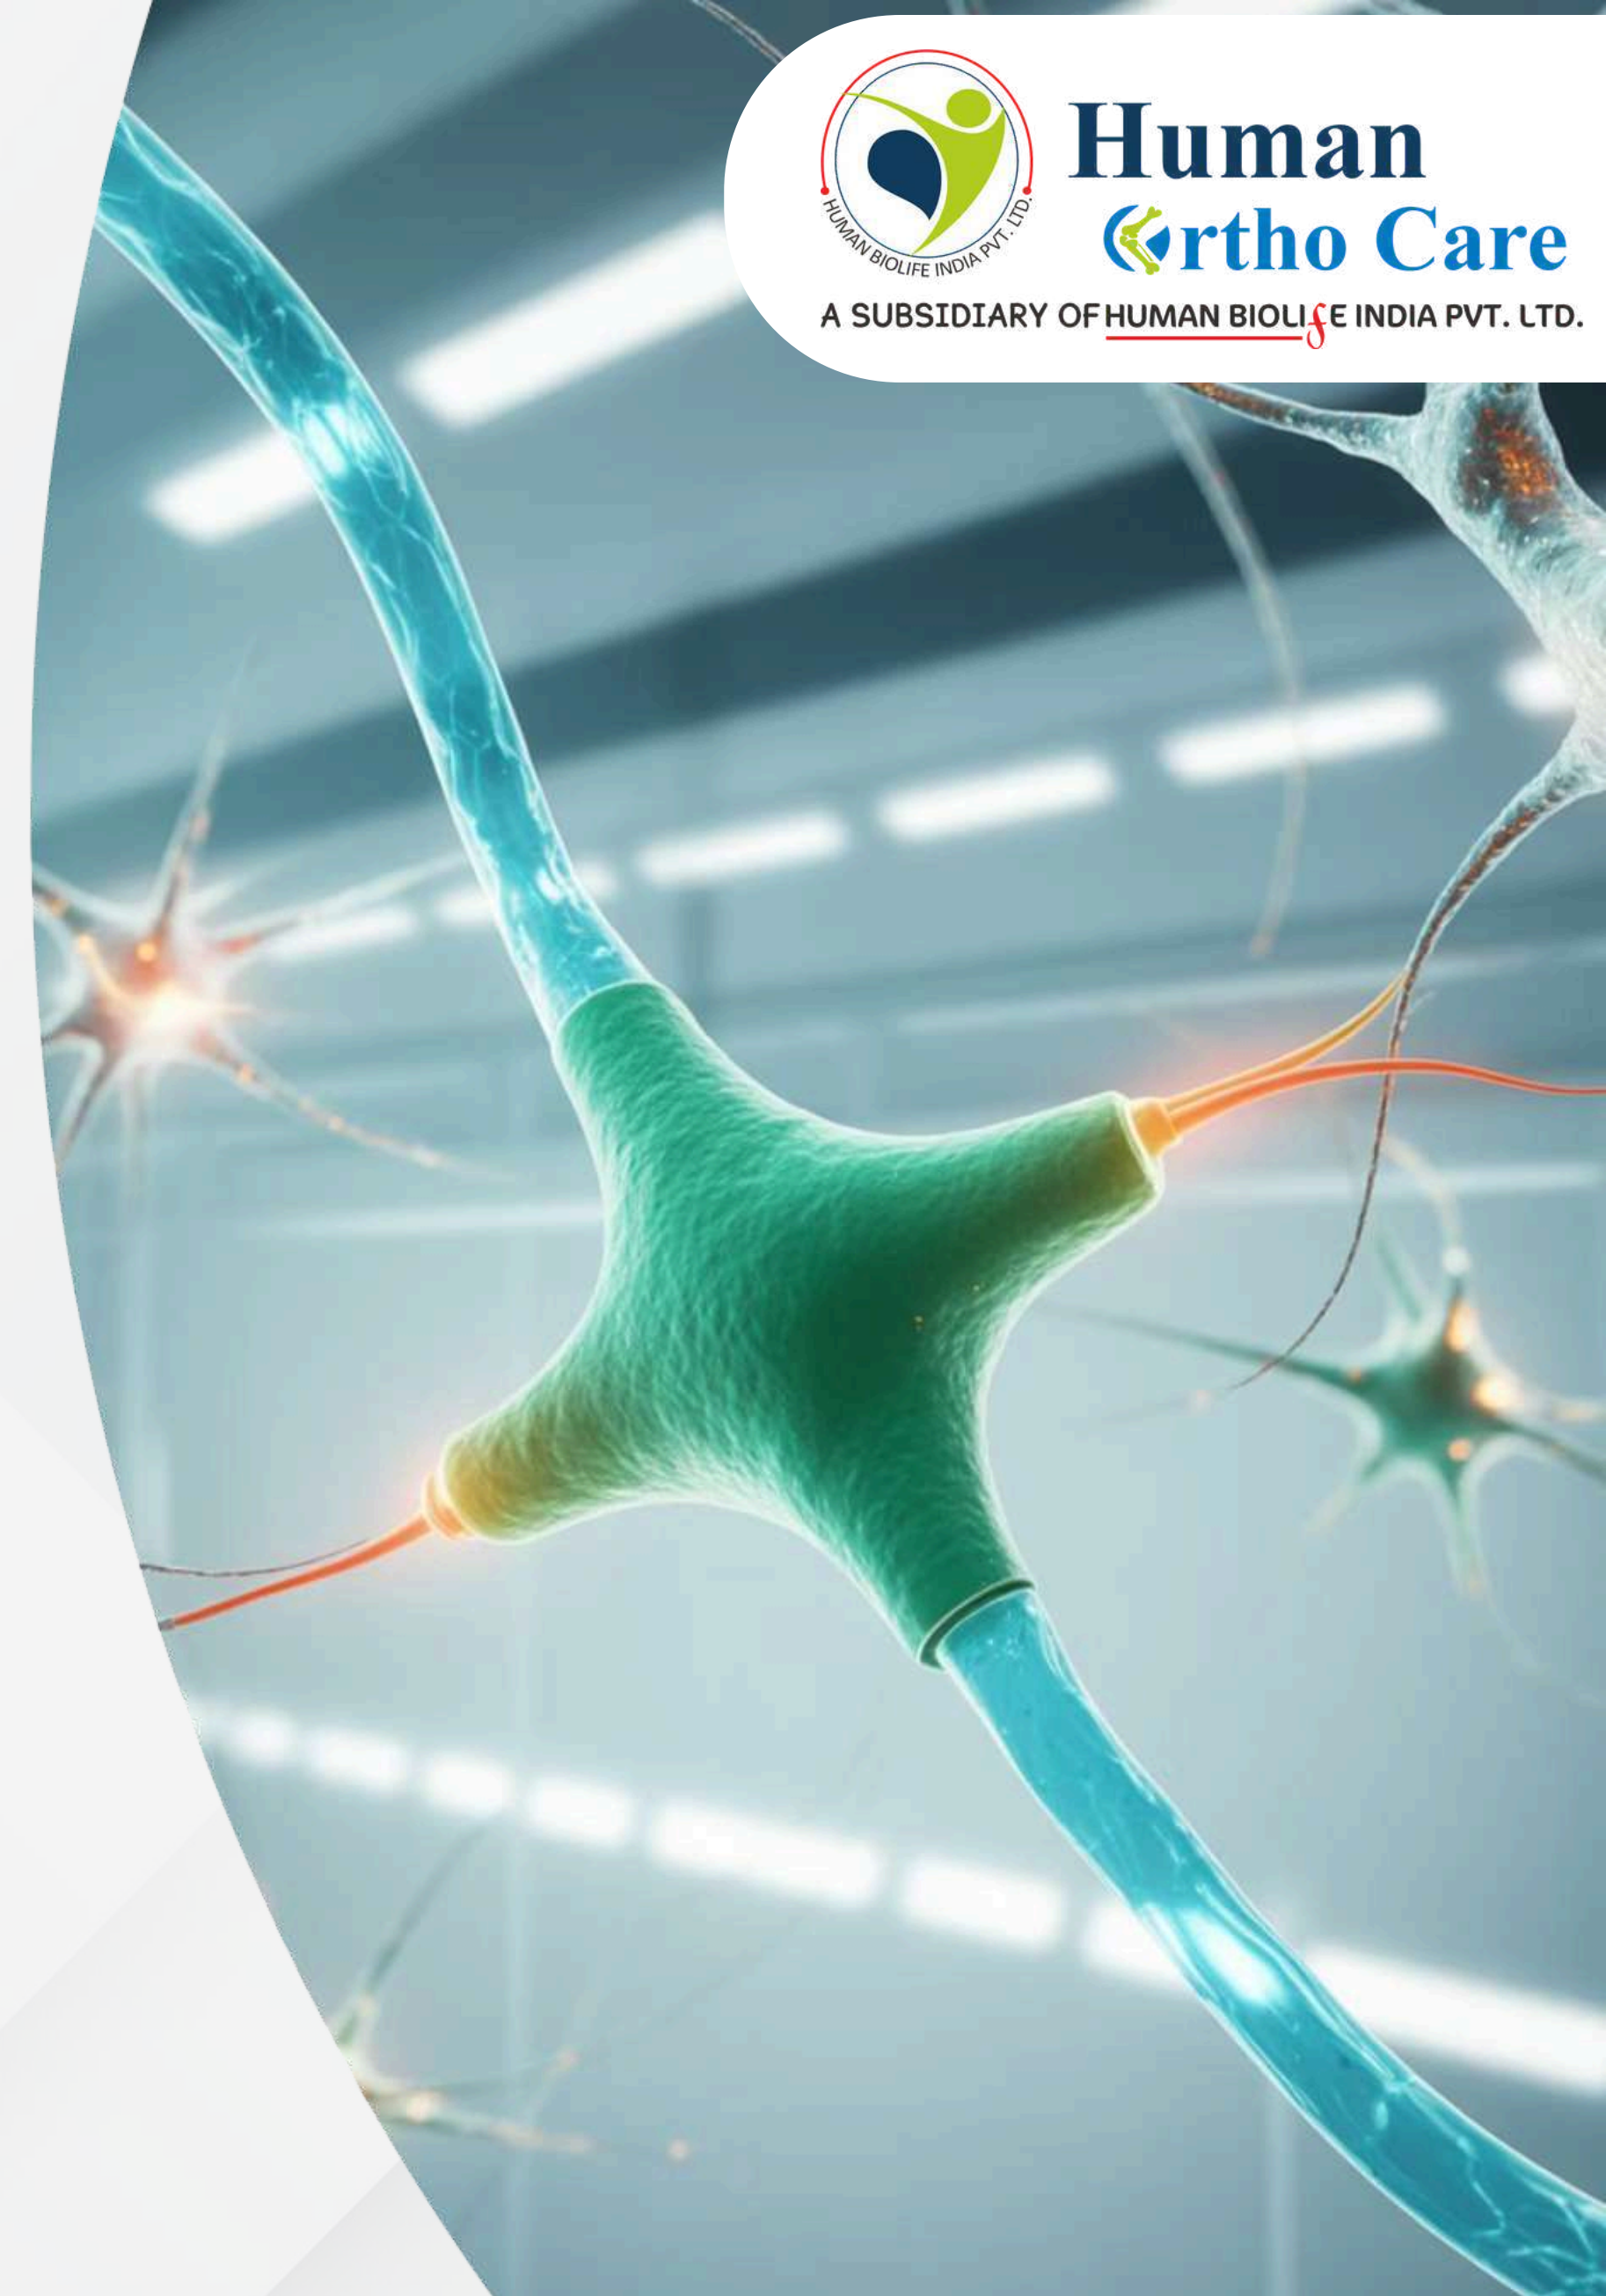

Vitamin D3

Improves neuromuscular function & bone strength for comprehensive support

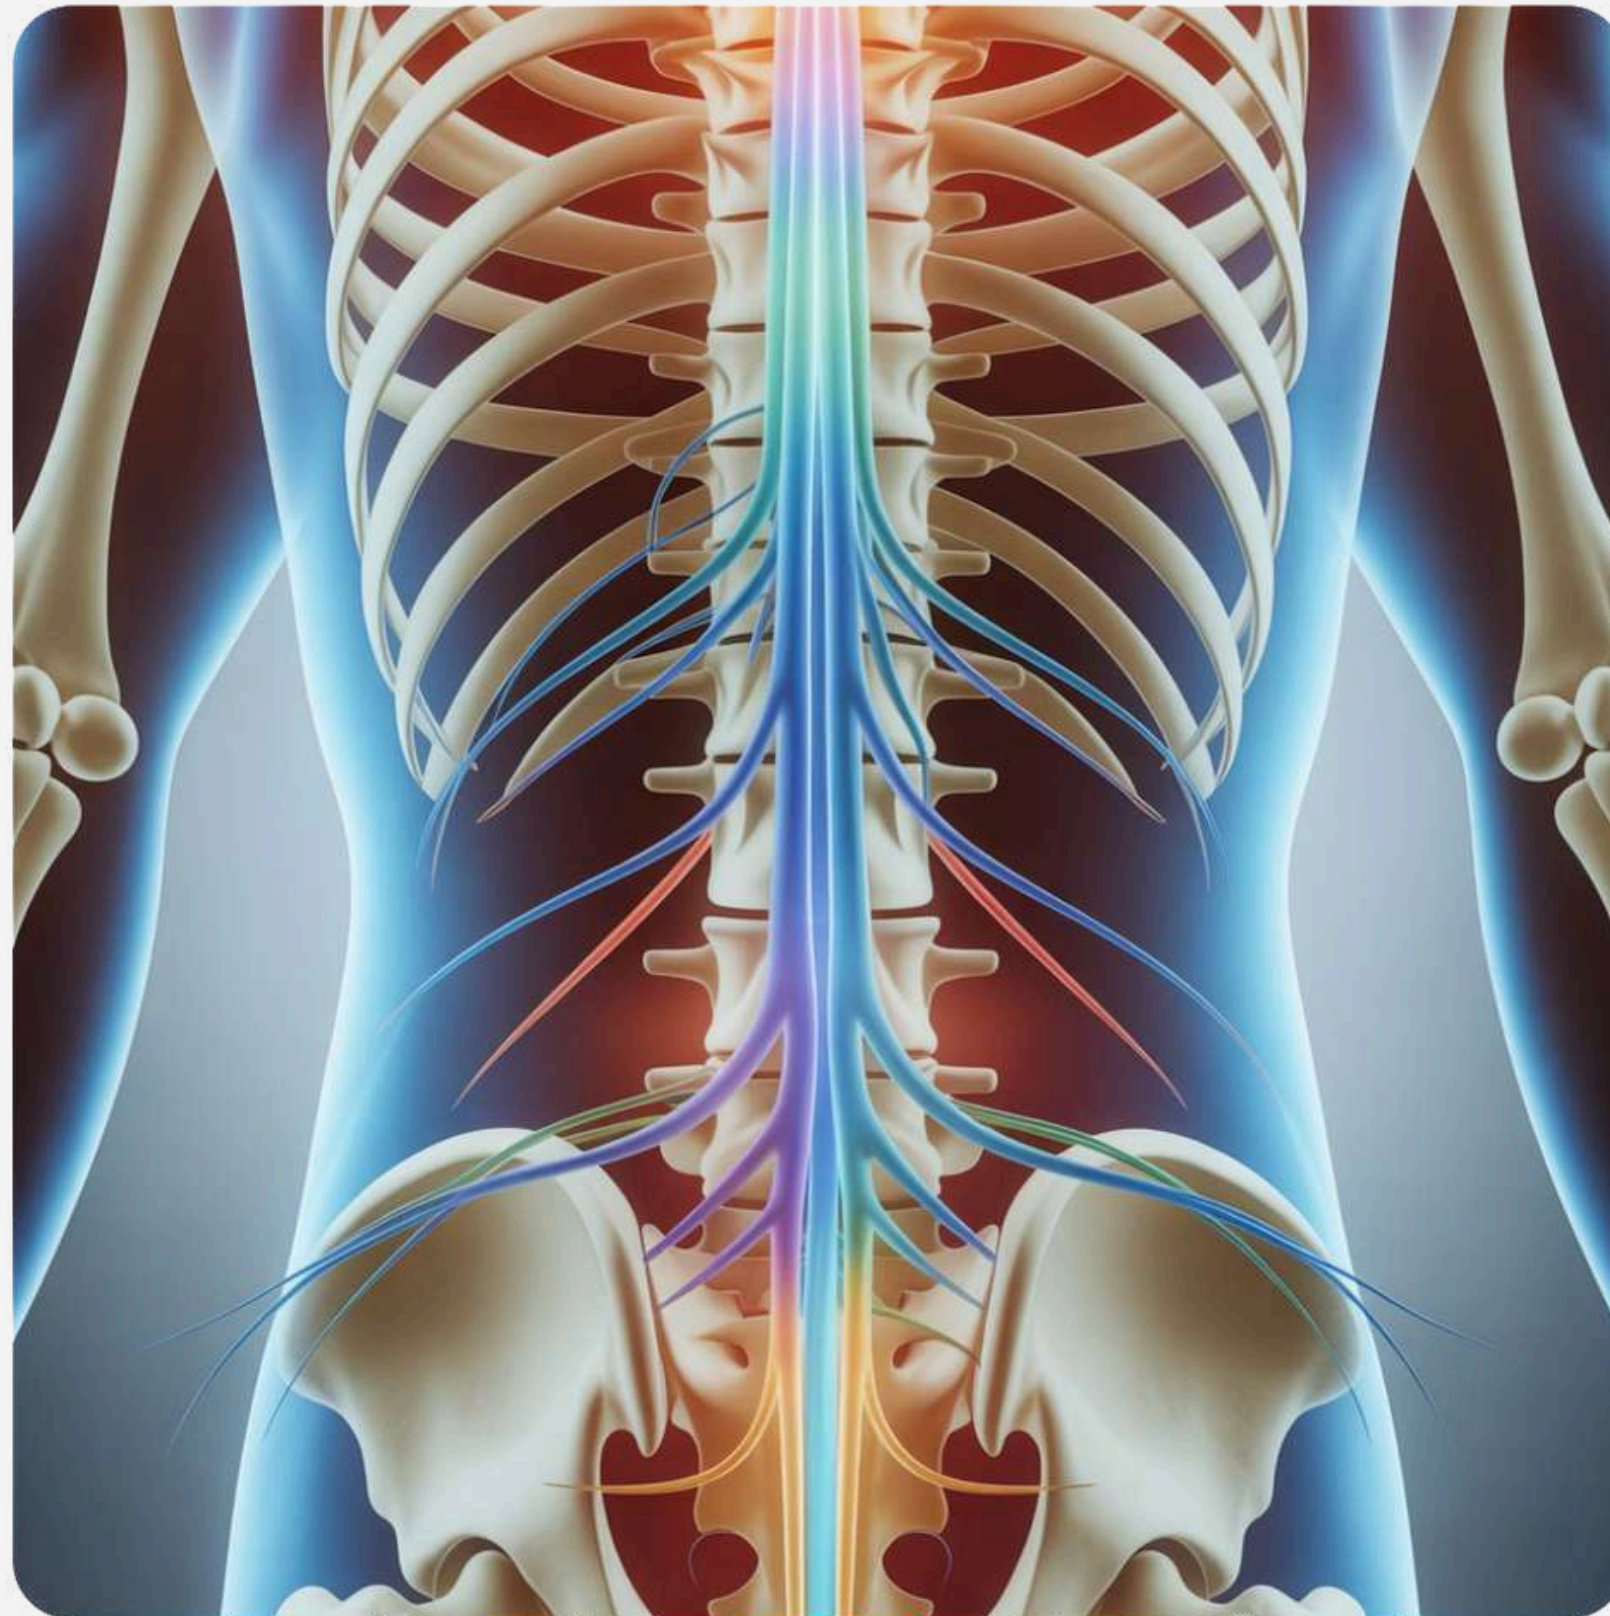

Result: Neuroprotection + Nerve repair + Ortho recovery

Indications (Ortho Focused)

Renuron®-Ultra Tablets are specifically recommended for orthopaedic conditions involving nerve complications:

- Sciatica & lumbar/cervical radiculopathy**
Targeted relief for nerve root compression and inflammation
- Cervical & lumbar spondylosis with neuropathic features**
Addresses degenerative spine conditions with nerve involvement
- Osteoarthritis with nerve compression pain**
Comprehensive support for joint and nerve health
- Post-traumatic nerve damage**
Recovery support following fractures and crush injuries
- Post-orthopaedic surgery neuropathy**
Enhanced healing and nerve function restoration
- Chronic low back pain with burning/tingling**
Relief from neuropathic symptoms in chronic conditions

Clinical Advantages

Key Benefits of Renuron[®]-Ultra:

Triple Approach

Nerve repair + antioxidant protection + neuromuscular support in one comprehensive formulation

Symptom Relief

Reduces pain, tingling & numbness in chronic orthopaedic patients effectively

Dual Support

Vitamin D3 addition provides **dual support for bone & nerve health** synergy

Complementary Therapy

Complements NSAIDs, muscle relaxants & enzyme therapy for enhanced outcomes

Enhanced Recovery

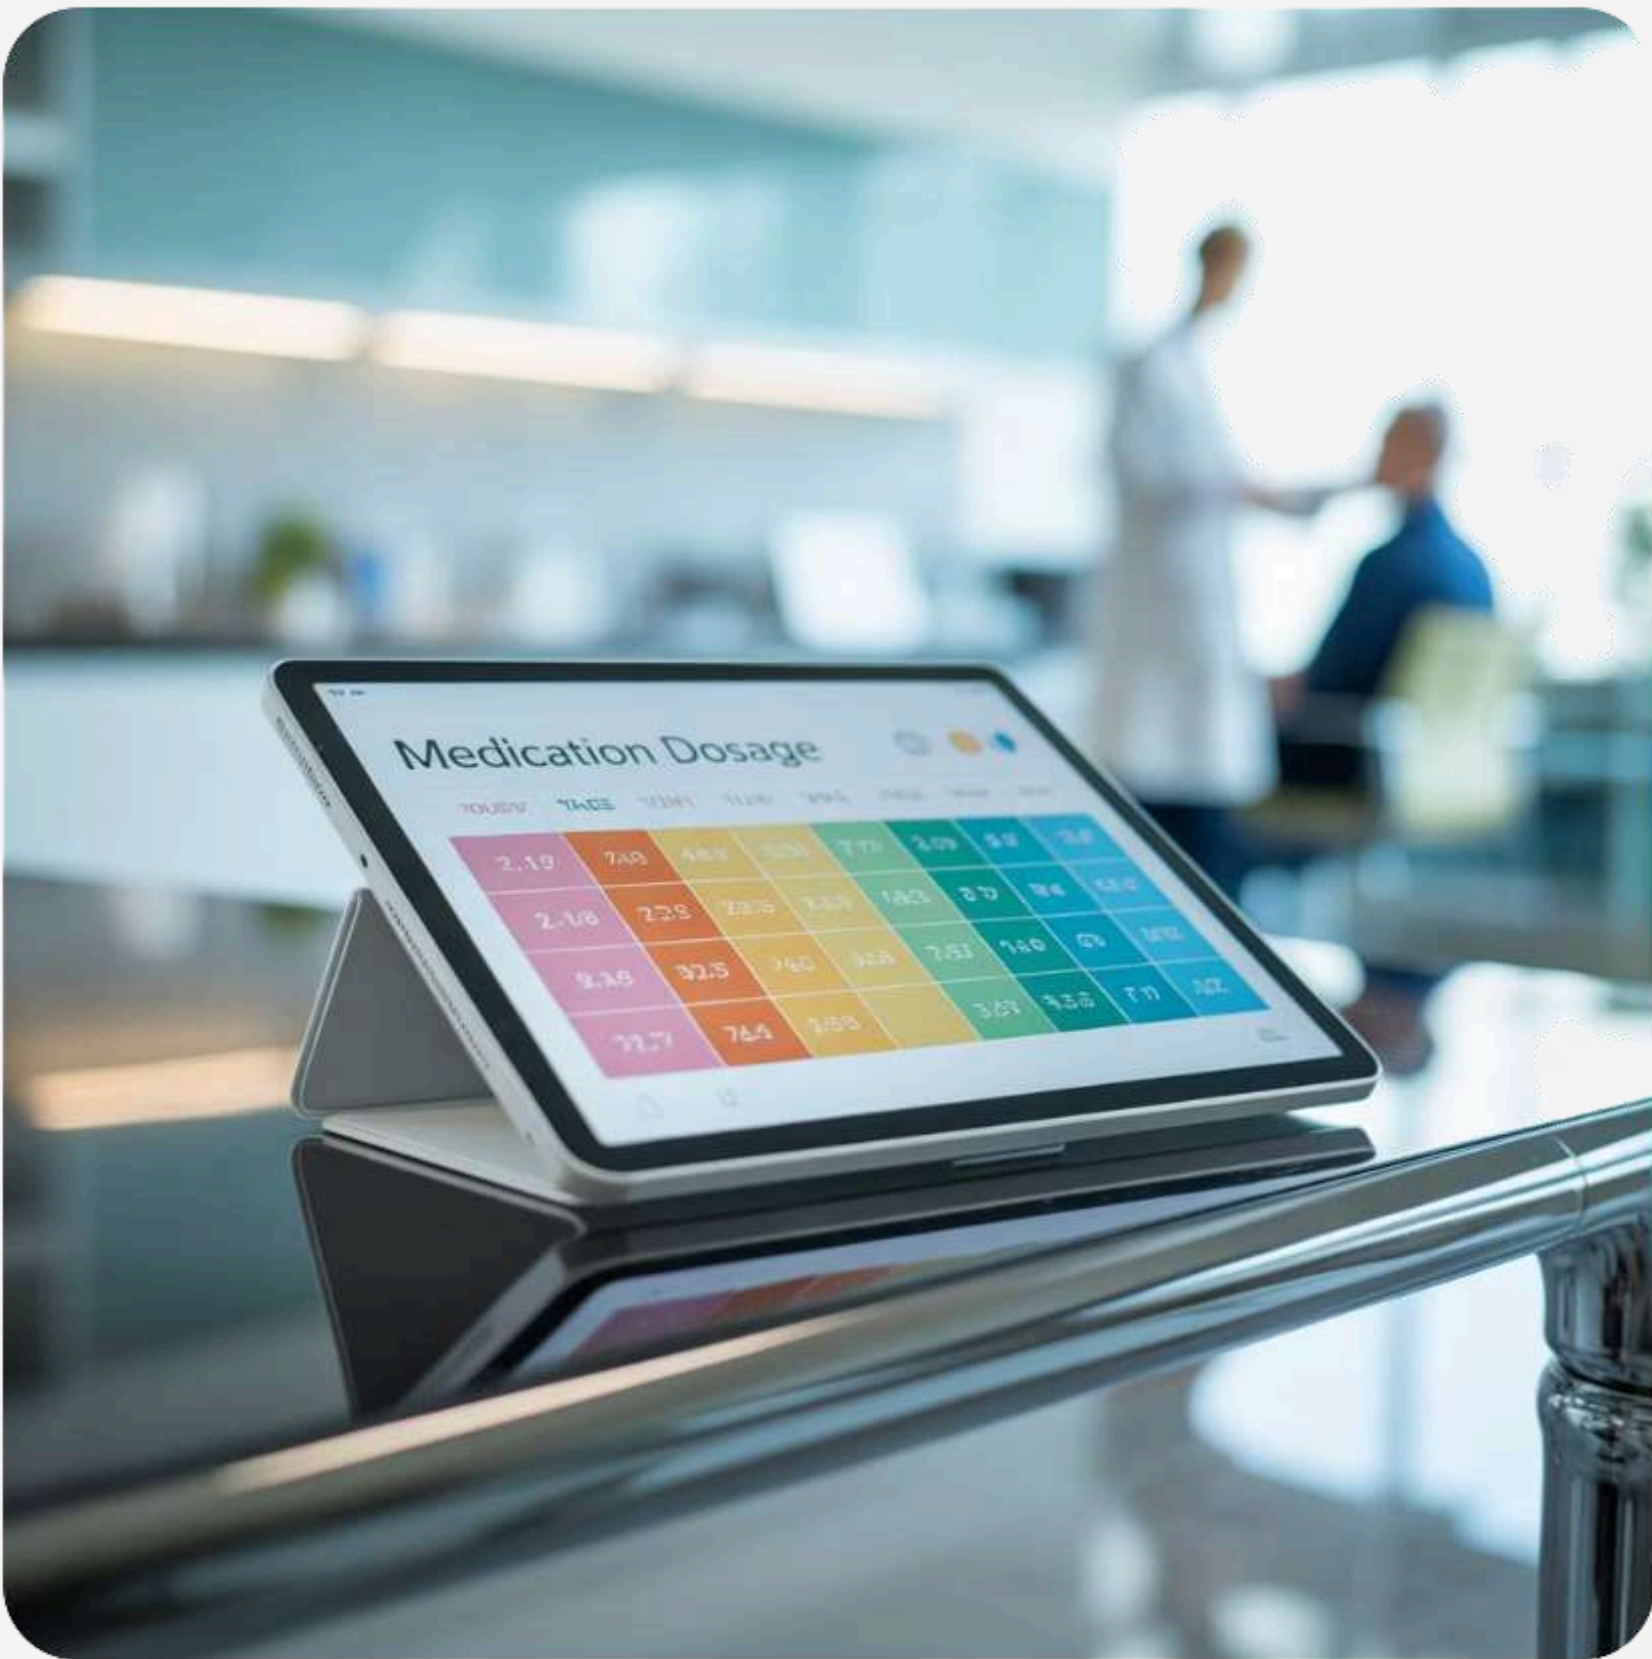

Improves recovery outcomes in long-term orthopaedic rehabilitation programmes

Comparison with Other Neuro-Nutrient Formulations

Parameter	Renuron®-Ultra	Mecobalamin Alone	Mecobalamin + ALA
Nerve Repair	✓ Strong	✓ Moderate	✓ Strong
Antioxidant Protection	✓ Yes (ALA)	✗ No	✓ Yes

Ortho-Bone Health Benefit	✓ Yes	✗ No	✗ No
Comprehensive Recovery	✓ Excellent	⚠ Partial	⚠ Partial

Renuron®-Ultra offers the most comprehensive neuro-nutrient support with unique Vitamin D3 addition for orthopaedic applications.

Dosage & Administration

1

Standard Dosage

1 Tablet once or twice daily after meals

Timing with meals enhances absorption and reduces gastric irritation

2

Professional Guidance

Or as directed by physician

Dosage may be adjusted based on individual patient needs and condition severity

3

Treatment Duration

Consistent daily use recommended

For optimal neuropathy recovery and orthopaedic rehabilitation outcomes

⚠ Important: Consistent daily use is recommended for neuropathy & orthopaedic recovery to achieve optimal therapeutic benefits.

Quality
Assured

Safety & Tolerability

Generally Well-Tolerated

Renuron®-Ultra has an excellent safety profile with minimal adverse effects reported in clinical use.

Possible mild side effects:

- GI upset, nausea (rare occurrence)
- Mild headache or dizziness (rare occurrence)

Contraindications:

Hypersensitivity

Known hypersensitivity to any component of the formulation

Severe Organ Impairment

Severe renal/hepatic impairment (caution advised with dose adjustment)

- ❑ Always consult healthcare professionals before starting treatment, especially in patients with pre-existing medical conditions.

Why Prescribe Renuron[®]-Ultra?

Doctor's Choice For Orthopaedic Patients With:

Neuropathic Pain Management

Effective relief in sciatica, spondylosis & radiculopathy with comprehensive nerve support

Post-Trauma & Post-Surgery Recovery

Enhanced nerve recovery following trauma and surgical interventions

Nerve + Bone Strength Synergy

Added Vitamin D3 provides unique dual support for comprehensive orthopaedic care

Oxidative Stress Reduction

Reduces oxidative stress and improves long-term treatment outcomes
